Hit a ball, run to a base, get a scholarship and transfer to a university!

OK, it's not quite that simple, but you need to know that Mission College's outstanding team athletes stand out in more ways then just their team sport. And the results are impressive!

You see, it's not just about hitting a ball or running to base. Student Athletes are students and athletes, and to be on a team and stay on a team, each needs to excel at both endeavors. With the support and guidance of our Athletics Counselor, student athletes must complete an education plan. They must be enrolled in at least 12 units during their season of sport and maintain a 2.0 grade point average as well.

But the payoff for this level of achievement can be very rewarding! You want proof?

The sophomore class of Mission Saints Men's Baseball team transferred nine players to 4-year universities, seven on scholarships. These include:

Danny Miller – Cal State Chico
Andy Furia – Cal State Chico
Gordy Deacon – Cal State Chico
Chris Gomez – William and Penn University
Peter Danna – University of San Francisco
Miles Norton – St. Gregory's University
Brian Eichhorn – St. Gregory's University
Steven Miller – San Francisco State University
Rene Reyes – Azusa Pacific University

These young men worked hard and played hard and reaped the rewards. Since 1990, 151 of Coach Perez' baseball players have successfully transferred to universities all over the United States. In the previous three years, 25 Mission Saints have gone on to 4-year universities and 21 of these transfers received baseball scholarships. Click on this link for a complete list including names, universities transferred to, and team affiliations:

http://missioncollege.org/depts/athletics2/teams/mbaseball/mbaseball_about.html

To find out more about joining one of our athletic teams, contact our Athletic Director, **Mike Perez** at 408.855.5540 or our Athletics Counselor, **Donnelle McGee** at 408.855.5042. There could be a homerun in your future!

MARTIAL ARTS

Kinesiology @ MISSION COLLEGE

BADMINTON

SPORTS: Are you competitive? Sports-minded? Do you like being part of a team? If you answered yes to any of these questions, then the sports activity classes at Mission College might be just what you have been looking for. Try Badminton or Basketball. Give Tennis a try. Consider Tennis or Volleyball. Whether just getting started or competing at an advanced level, please join us to learn or refine your skills, improve your strategies and bolster your teamwork. It is all good!

FITNESS: Get Fit @ Mission! Mission College has a variety of fitness classes to get you in shape right here on campus! Pilates will strengthen your core muscles and endurance. Yoga will help with your balance and contribute to lower blood pressure. Weight Training will build muscle mass. Cardio Cross-Training improves heart health and lowers your resting heart rate. Fire Agility prepares participants for the strenuous activities Fire Fighters experience and Lower Body Conditioning does just that. You have a lot of options, so check in this schedule under the Kinesiology heading in the schedule to find the best fitness class options for you!

MARTIAL ARTS: You'll FLIP! And roll, throw, kick, yell, and bow. You see, it all depends on which Martial Arts class you choose. Mission College offers training in Aikido, Karate, Tai Chi Ch'uan, and basic Self-Defense. Elements of these classes will help you with balance, body awareness, movement, self-confidence, and mental focus. Our teachers are highly regarded and patient practitioners of their art. Check out the classes being offered for Spring in the Kinesiology section of this class schedule. Morning, noon and night – there is something for everyone!

SOFTBALL

TENNIS

BASKETBALL

DANCE: Get Up and... Some people like it slow. Some people like it fast. Some people do it with one partner, while others do it as a group. Some do it with their shoes on, and others wear slippers, or high-top sneakers. What is it? It's DANCE!

Mission College has great dance classes that will have you moving in no time. Do you dream of *Dancing with the Stars* or just dancing like one? Take Ballroom. Do you like the beats of Latin music? Sign up for Salsa. Like to get your groove on with a high-energy group? Then Hip-Hop's your thing. We have ballet, modern dance and jazz dance too! So it's really all about what you want to learn and excel in and have fun doing. Check out our dance offerings in this schedule under Kinesiology: Dance.

Once you've taken a dance class or two, you may be interested in performing. That is great because we have the Mission Dance Company, which is an active dance group on campus for students who want to perform and choreograph. Please visit Mission College Dance Company on facebook at Facebook.com/missiondancecompany and be looking for our new dance and wellness center opening on or before summer 2014!

ADAPTED PHYSICAL EDUCATION

Adapted Physical Education (APE) is the art and science of developing, implementing and monitoring a carefully designed physical education instructional program for students with medically verifiable disabilities. The goal of APE is to improve the quality of life of individuals by increasing or maintaining muscular strength, muscular endurance, flexibility, cardiovascular endurance and functional independence. Working collaboratively with the APE specialist, students will actively participate in designing a personalized exercise plan to meet their individual needs. Class offerings: Adapted Aerobics, Adapted Weight Training, Adapted Tennis and Adapted Yoga. Look for these under the Kinesiology section in this schedule of classes.

Campus Safety

1 Know what to do. Review the emergency guidelines posters placed in classrooms and public areas. More detailed information is available on the District's emergency website **www.wvm.edu/emergency.** Look in the right side column for Emergency Guidelines and "How To" videos related to earthquakes, evacuations, fires, active shooters and much more.

2 Be part of the solution. Take a first aid and CPR class that are offered on both campuses. Sign up for FREE Campus Safety training and the next FREE Campus Community Emergency Response Team (C-CERT) course. Sign up at **www.wvm.edu/emergency** under "Safety Training".

3 Be aware. Look around you when you enter a building or classroom and ask yourself what resources you have to protect yourself if the ground started shaking (drop, cover and hold on) or you heard gunshots (Lockdown). You can send anonymous messages to Campus Police if you are concerned about any person or situation. Email or text to **westvalley@tipnow.com** or Voicemail 408.414.7908. Email or text to **mission@tipnow.com** or Voicemail 408.550.7982. If there is an emergency situation *IN PROGRESS,* call 9-1-1 from a landline or 408.299.3233 from your cell phone.

4 Get notified. WV-M Alert will text and call your cell phone if there is a campus emergency. You are automatically placed in the system when you register for classes. Keep your information up-to-date in the student portal to be sure to receive alert messages. Know *EXACTLY* what you should do if you receive a message that says "Evacuate" or "Lockdown". They are very different. It is important that the cell phone number you list is the phone that you have with you when you are on campus.

5 Keep away. Unless you have a clear reason to be involved or can contribute to the positive outcome of the incident, stay away from the "scene". Take immediate actions to ensure your own safety and the safety of those around you. Follow the directions of the Campus Emergency Response Team.

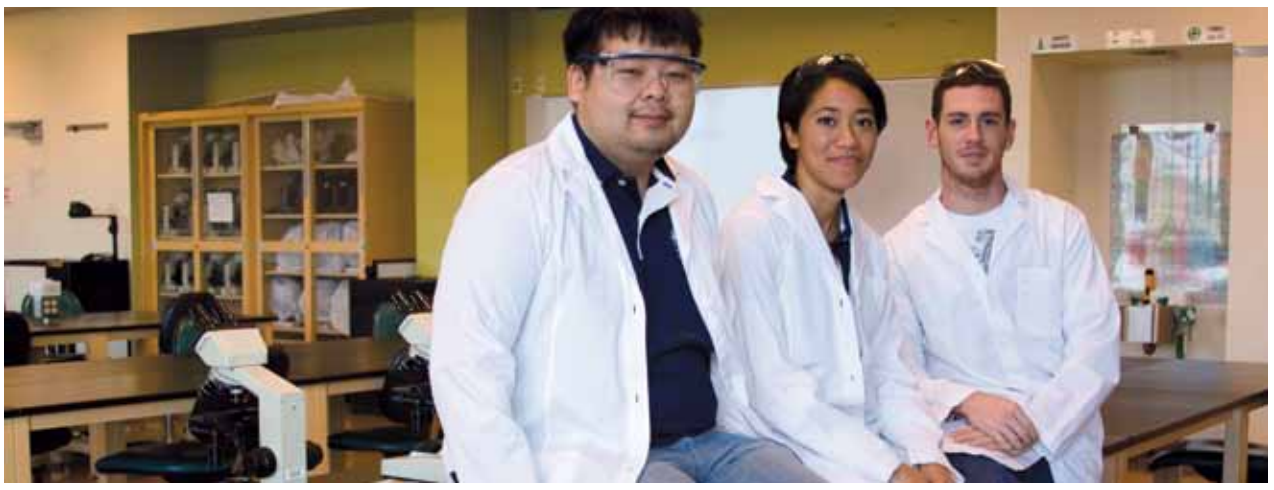
Questions? Email **marsha.hovey@wvm.edu** or call **408.722.1210**

Notification of Tax Identification Numbers (TIN) or Social Security Numbers (SSN) Required Collection & Usage

Federal legislation relating to the Hope Tax Credit and Internal Revenue Service (IRS) 1098T production mandates that all colleges report student SSN or TIN numbers to the IRS. This IRS mandate requires colleges to collect the SSN or TIN. A student may refuse to disclose his or her SSN or TIN to the IRS but the IRS is then authorized to fine the student in the amount of $50.

Mission College does not use the SSN or TIN as a student identifier – we assign a unique student ID to every student.

All SSNs and TINs collected as mandated are protected by federal regulations under the Family Educational Rights and Privacy Act (FERPA).



Honors Transfer Project

The Honors Transfer Project provides highly motivated students the opportunity to work closely with instructors and other motivated students in advanced levels of critical thinking, analysis, research, writing and communication. Honors courses offer enriched educational experiences through challenging coursework, stimulating colloquia, and the opportunity to study with other students interested in the highest level of learning. Most Honors courses meet IGETC and CSU GE-B transfer requirements and are taught by outstanding faculty, selected for their special interest in working with Honors students.

MC Honors Courses

BOSC 043H Principles of Cell and Molecular Biology–5 units
BIOSC 048H Human Physiology–5 units
CHEM 001AH General Chemistry–5 units
PSYCH 001H General Psychology–3 units
PSYCH 015H Introduction to Research Methods–3 units
PSYCH 081H* Honors Seminar in Psychology, 1 unit
MATH 081H* Honors Seminar in Mathematics, 1 unit

**Acceptance in the Honors Transfer Project is NOT required for Honors Seminar courses.*

For more course info. see the Spring Course Listing starting on page 12 or go to the Honors Transfer Project website:
http://honors.missioncollege.edu/

The Honors Advantage

- Intellectually challenging curriculum
- Close interactions with dynamic instructors
- Supportive relationships with other bright, energetic learners
- Honors recognition on transcripts
- Participation in research conferences and special events
- Academic transfer Counseling
- Letters of recommendations
- Early registration for classes

Join our Honors Community

New and continuing Mission College student requirements:

- Completion of English 1A with a B grade or better
- Completion of 9 UC/CSU transferable units
- 3.25 Grade Point Average

First-time Freshmen Requirements:

- Eligibility for English 1A
- 3.5 High School Grade Point Average

— or—

- A letter of recommendation from an instructor

The STEM Learning Center

The STEM Learning Center is the central resource hub for students who are interested in pursuing a major in Science, Technology, Engineering, or Mathematics (STEM) at Mission College. The STEM Learning Center is located on the first floor of the Science Building, in Room SCI-131. Services currently available to students at the STEM Learning Center include:

- Tutoring in many STEM subjects from our MESA (Mathematics Engineering Science Achievement) tutors. They can help students with Biology, Chemistry, Math and Physics.
- Chem Draw software is available for students to use on the four computers we have in the STEM Learning Center.
- Meet with our STEM Peer Mentors; experienced STEM students who understand what you are going through and can answer your questions about campus resources.
- The STEM Learning Center is a quiet place to study and has the added benefit of being located directly adjacent to STEM faculty offices.

For further questions, contact STEM/Transfer Program Coordinator, Jessica Shillings-Barrera by calling 408.855.5261 or by emailing **jessica.shillings@wvm.edu**

AANAPISI PROGRAMS @ MISSION COLLEGE

AANAPISI stands for the Asian American Native American Pacific Islander Serving Institutions, and the mission of its programs is to improve the transition, progression, graduation, and transfer rates of Asian American and Pacific Islander (AAPI) students at Mission College. Fully funded by the U.S. Department of Education's Title III program, AANAPISI is implementing a comprehensive set of best practices strategies to overcome the documented obstacles of AAPI students on campus. The programs work alongside the major units of the college including Student Support Services, Instruction, and the Office of Research to pilot programs, activities, curriculum, and other resources to promote student success. AANAPISI's ultimate goal is to strengthen the process at Mission College to assist AAPI students from matriculation through degree attainment and transfer to four-year colleges/universities with a particular emphasis on transfer into Science, Technology, Engineering, and Mathematics (STEM) majors.

APASS: The Asian Pacific American Student Success (APASS) program is the direct service arm of the AANAPISI programs. APASS provides culturally-relevant services for Asian American/Pacific Islander (AAPI) students to develop their educational pathways toward graduation and transfer to four-year universities. APASS specifically targets students who are on the ESL track transitioning into college level programs and for those pursuing Science, Technology, Engineering, and Math (STEM) majors. Services include:

- One-on-one academic and career counseling
- College transition and student success workshops
- College campus field trips
- AAPI-themed activities and events

For more information about APASS, please visit the APASS Counseling Office in the main building, room C1-127 (across from the P.E. Lab, W1-501), call the APASS Counseling Office at 408.855.5175 to set up an appointment, or visit our website at: www.missioncollege.edu/depts/aanapisi.

STEM Learning Center: Read about the STEM learning Center and meet its director and some of its STEM Peer Mentors on the next page of this class schedule. Major funding for the STEM Learning Center comes from the federal Title III AANAPISI Part F grant.

How will Asian American/Pacific Island students benefit?:

- AAPI students will develop an educational plan
- AAPI students will successfully transition from ESL to college level programs
- AAPI students will reach transfer directed and transfer prepared status
- AAPI students will graduate with an Associate's Degree
- AAPI students will transfer to four-year colleges/universities, especially in Science, Technology, Engineering, and Mathematics (STEM) majors

For more information about the AANAPISI programs, come visit our offices in the main building, room N1-201, call the AANAPISI Program Office at 408. 855.5526, or visit our website at **www.missioncollege.edu/depts/aanapisi**

Enrollment Changes 2014

The California Community Colleges Board of Governors approved changes that will establish system-wide enrollment priorities designed to ensure classes are available for students seeking job training, degree attainment or transfer and to provide incentives to students who make progress toward their educational goals. Senate Bill 1456, The Student Success Act of 2012 provides critical support services to students on the front-end of their educational experience to increase student success. New students who have completed college orientation, assessment and developed educational plans (EdPlans) as well as continuing students in good standing who have not exceeded 100 units by April 2014 (not including units in basic English, Math or English as a Second Language) will now have priority over students who do not meet the criteria.

Students who are active-duty military, veterans, foster youth, and participants in EOPS and DESP will continue to have priority registration if they meet the same criteria listed above. The regulations were unanimously approved by California Community Colleges Board of Governors and will be implemented for fall 2014 (registration begins April 16, 2014). **We highly encourage students on academic progress probation and those nearing 100 units to seek guidance from a counselor to carefully plan their remaining courses.**

Thinking of winter?
Think Tropical Ecology!

Offered this Winter Session is one of the most interesting and fun classes: **Tropical Ecology**—a Biology course that begins in the classroom at Mission College then travels to Costa Rica for 12 days of exploration and fun. You will reside at several biological field stations where all your meals and activities are included. Skywalk above the rainforest canopy, bird watch, visit a butterfly farm, explore tide pools, go snorkeling in the ocean and take night hikes to see and hear the amazing rainforest after dark. This class satisfies General Education requirements, includes all transportation and lodging, and is a very reasonable $2,325 and Financial Aid is available!

BIOSC*030 Tropical Ecology (CSU)
33553 *(Meets 01/02-01/24)* Replicon 4.0 units

NOTE: This class will be held first on campus, followed by field work at two research stations in Costa Rica. On-campus classes are scheduled for evenings (January 2, 7 and 9 from 6-10pm) and weekends (January 4 and 11 from 10am-4pm). The class travels to Costa Rica for field studies from January 13-24. The Costa Rica program fee of $2325 includes: airfare, in-country ground transportation, all activities, lodging and most meals. Students will be responsible for personal expenditures required for the trip, such as passports and travel attire. To assure a space on the trip, a completed application form and deposit ($500) are necessary. For more information about the class such as how to sign up and reserve a spot, a detailed itinerary, photos and testimonials from past participants, go to: **www.tinyurl.com/TropicalEcology**

Or contact the instructors:

Jean Replicon at 408.855.5267 email: jean.replicon@wvm.edu
Elizabeth Bell at 408.855.5208 email: elizabeth.bell@wvm.edu

Start Packing!

January 2, 2014 – January 23, 2014

Winter Session 2014 Calendar

November 22 ..... Registration for continuing students begins

December 2..... Open registration for new and returning students begins

December 9..... First day of in-person registration for high school students

January 2..... **Winter Session begins**

Once posted..... Final grades available on MC Portal/MyWebServices. Grades available as soon as posted by the Faculty.

Short-term Classes: Refund Policy for Winter Session and Spring Semester

Faculty signature is not required to drop a class.

For **Short-Term classes that have less than 5 meetings,** the last day to drop with a refund is the day **before** the first class meeting.

Last day to drop classes **without a W (and with a refund)** = prior to 20% of class meetings.

Last day to drop classes **with a W (no refund)** = 75% of class meetings.

Academic policy for use of cellular phones and pagers in classrooms.

Policy Statement:

Instructors may restrict the use of cellular phones and pagers in classrooms, labs, and library areas.

Implementation:

1. Instructors will advise students of their intention to implement this policy by placing statements in their green sheets, and/or other publications, listing any consequences and providing for emergency situations.
2. The consequence(s) for a violation of this policy will be determined by the individual instructors. These consequences shall not exceed a maximum 48 hour suspension as provided for in the Education code (Section 76032).

Better Ways to Serve You!

Fast & Secure Refund Processing with your My WVMCCD Card

- We have gone green and replaced paper checks mailed to your home address!
- Choose between activating:
  - **Debit Card –** your refund will be loaded within 24 hours of refund processing. Use your card as a debit card using a pin or it can act like a credit card using your available balance!
  - **ACH Processing –** your refund is transferred automatically to your personal bank account for immediate use, also within 24 hours of refund processing
  - **Paper Check –** this may take up to 21 days.
- **Free Banking Services –** View your account activity on-line; choose to receive text or e-mail updates of your account balances and other activities!
- **Convenient ATM access –** locations at both Mission & West Valley as well as participating regional ATMs (Foothill/DeAnza; SJCC/Evergreen)
- No more checks lost in the mail!
- No more reliance on USPS delivery service.
- No check-cashing worries!

MC Portal – Your One-Stop Destination for Service, your Way!

- Enjoy the convenience of MyWebServices inside the portal!
- Secure single-sign-on
- Easy communication access – Don't be left in the dark; receipt of important college messaging!
- Now Available! go to **www.missioncollege.edu** and choose **MC Portal**

January 25 – May 23, 2014

Spring Semester 2014 Calendar

November 25 ..... First day of registration for continuing students

December 2..... First day of open registration for new and returning students

January 13..... First day of in-person registration for high school students

January 27..... Monday – Friday classes begin

February 9 ..... Last day to **add** semester-length classes with an Add Code via **MC Portal**. Go to the **Mission College home page**; select **MC Portal**; login; then select **MyWebServices**.

February 9 ..... Last day to **drop** semester-length classes for a **refund and without a W.** Refunds for short-term classes are given if students drop before 10% of the scheduled class meetings have elapsed. For short-term classes that meet five days or less, the last day to drop classes for a refund is the day before the first class meeting. (Faculty signature not required to drop classes).

February 14–17.... Presidents' Day Weekend, Campus Closed

March 31 ..... Cesar Chavez Day, Campus Closed

April 1–5..... Spring Break, No Instruction

April 25..... Last day to **drop** semester-length classes with a "W"

May 17–23..... Final Exam Period

May 23..... Commencement (tentative)

May 26..... **Memorial Day, Campus Closed**

Once Posted..... Final grades available on **MC Portal/MyWebServices**. Grades available as soon as posted by the Faculty.

The information in this schedule is accurate as of the printing date, November 1, 2013

For the most up-to-date course listings, go to:
www.missioncollege.edu and click on **MC Portal** and log on.
Or choose **Search for Courses** under the Top Destinations on the right-hand side of the home page.

All courses, course sections, and classes of the District shall be open for enrollment to any person who has been admitted to West Valley or Mission Colleges. Enrollment may be subject to any priority system that has been established. Enrollment may also be limited to students meeting properly validated prerequisites and corequisites, or due to other practical considerations such as exemptions set out in statute or regulation.

Photography

Mission College, a non-profit California Community College, reserves the right to use photography and video images of students and visitors, age 18 and older, taken on our property and at college-sponsored events for marketing and promotional purposes. Objection to the use of an individual's photograph may be made in writing to the Marketing Office, Room E3-201, Main Building.

Assure Your Seat in Class! Pay-to-Stay!

The West Valley-Mission Community College District is actively enforcing our registration payment policy.

How will this affect you?

- **If you have a zero balance owing on your account, there is no effect.**
- **If you have any balance owing greater than zero, you are subject to losing your seat in your Winter/Spring 2014 classes.**

Please note the following enforcement dates:

Register between:	Pay by End of Day:	The College may drop your Winter/Spring 2014 Classes for non-payment (any amount owed):
Nov. 18 – Dec. 13	Dec. 16	Dec. 17
Dec. 14 – Jan. 3	Jan. 6	Jan. 7
Jan. 4 – Jan. 17	Jan. 21	Jan. 22
Jan. 18 – forward	At registration	Next business day

Admissions and Registration Information

Mission College grants admission to anyone who is….

1) a high school graduate.

2) eighteen (18) years of age or older.

3) a non-high school graduate, 16 or 17 years of age, who has in his/her possession at the time of registration one of the following:

- Certificate of the State Proficiency Test.
- G.E.D., California HS Equivalency Certificate.
- A formal, written document from the student's high school district indicating he or she is **exempted** from any high school attendance.
- a high school student in grades 11 or 12 whose admission as a part-time student is recommended by his or her high school principal.

To be considered California residents for tuition purposes, applicants who have eligible immigrant status or are out-of-state US citizens must reside in California for more than one year and one day prior to the first day of the term.

Apply and Register

Apply on-line by following the link, **Apply Now**, on Mission's home page. After submitting your on-line application, you will immediately receive an email that will verify that your application has been submitted successfully. Within 48 hours, you will receive a second email that will provide you with **your college ID number and registration date.** If you skip a semester, you will need to re-apply to receive a new registration date. For inquiries about your on-line application contact **askmc@wvm.edu**

Register on or after your registration date via MC Portal/MyWeb Services at **www.missioncollege.edu**

Fees are due immediately after registration. If you are eligible for a fee waiver, visit the Financial Aid Office before registering for classes.

If you must submit a Prerequisite Challenge Form, a Student Petition form, or any other documentation before registration, go directly to the Admissions and Records Office for assistence at least one week priorto the start of the semester.

Please be prepared to pay any 'outstanding balance' if you register in-person or on-line.

For Counseling, Placement Test and Orientation information refer to pages 7, 8 & 9 of this schedule.

Important: Normal communication with students is done via email. Please be sure to update your personal information, such as, e-mail addresses, phone numbers, etc, using MC Portal/MyWebServices, each term if necessary.

Assembly Bill 540

Any resident student, except a non-immigrant alien who meets all of the following requirements, shall be exempt from paying the nonresident tuition.

Requirements:

1) The student must have attended a California high school for at least three full years,

2) The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or CA proficiency exam).

3) An alien student who is without lawful immigration status must file an affidavit with the college stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

This legislation does not apply to students who hold an F-1 Visa for International Students. Eligible non-resident students must file a **"California Nonresident Tuition Exemption Request"** form with the Admissions and Records Office. Non-resident students who are exempt from paying nonresident tuition under this legislation may be eligible for a Board of Governors Fee Waiver.

High School Students Registration

Concurrently enrolled **special part-time high school students** in grades 11 and 12 must register In-Person starting two weeks before the first day of the term. Each term, high school students are required to submit an online Application for Admission. In addition, the student submits in person the High School Concurrent Enrollment form and the Parent/Guardian Medical Consent form. Registration in any college course must be approved by the high school principal, or designee. Photo identification is required for all transactions. HS Concurrent Enrollment and medical consent forms may be obtained on-line at **www.missioncollege.edu** (A&R page) or from the Admissions and Records Office.

Special Full-Time high school students registering in 11+ units are required to pay for all enrollment fees. Basic service fees are charged to high school, concurrent enrollment students.

Auditing of Courses

The Governing Board of the West Valley-Mission Community College District, under the provisions of Chapter 5, Section 76370 of the Education Code, hereby authorizes individuals to audit regularly scheduled credit courses, subject to the following conditions and provisions:

1. The student must meet college eligibility requirements for admissions to audit courses.
2. The student must be an active student in our District.
3. The student must be in good academic standing.
4. The current fee legislated of $15.00 per unit per semester shall be charged for each course audited. Students enrolled in courses to receive credit for 10 or more units shall not be charged a fee to audit three or fewer semester units per semester. Fees may be subject to legislative updates and revisions.
5. No student auditing a course shall be permitted to change his or her enrollment in that course to receive credit for the course.
6. Audit registration will only be processed after the last date to add as posted in the class schedules and will require permission of the Instructor-of-record, including his or her signature authorizing audit registration in the class.
7. All current and outstanding fees must be paid at the time of Audit Registration. Auditing fees are non-refundable after two weeks or 10% of class meetings of attendance.
8. The student must have previously enrolled for credit for the maximum number of times allowed for the particular course requested for auditing.
9. The course must be approved by the department-of-record as an auditable course.
10. If the course is a variable unit class, the student must enroll for the maximum number of units available.

You may obtain the 'Request to Audit' form at the Welcome Center or in the Admissions Office.

Adding Classes

Students may add open classes on-line via MC Portal/MyWebServices until the day before the first class meeting. For short term/late-start classes, students will be able to add open sections until the day before the first class meeting.

Wait List

If a class is closed, students can add their names to the section's wait list before the class begins. If 'registered students' drop classes, and space becomes available, **eligible** students on the wait list will be offered registration in the class. ***Students will be notified by email of their status.*** It is recommended that students monitor their wait list regularly to check on the current class status. Students with Holds, overlapping classes, etc. will remain on the wait list. If you change your mind about waitlisting for a particular course section, please drop yourself from that waitlist to allow other students to add.

Adding a Closed class…. Add Codes

To add a class once the term begins,you must attend the first class meeting (whether you are wait listed or not). If there are seats available, the instructor will assign students Add Codes to add the class. The Add Code is a four digit number that gives the student authorization to add the class via our on-line registration system—**MC Portal/MyWebServices**. (You will need one different Add Code for each class you wish to add.) The Add Codes are valid through the first two weeks of the semester or a shorter period if a short-term course.

Dropping Classes

It is the student's responsibility to officially drop classes. Do not assume that you will be dropped by the instructor or by any process that drops students for non-payment. If classes are not dropped, the student will be responsible for payment of all enrollment fees related to the class (even if the student never attended the class). Check the Calendars in this schedule of classes for deadlines to drop classes. Classes may be dropped via **MC Portal/MyWebServices** at **www.missioncollege.edu**

The instructor's signature **is not** required to drop classes.

Multiple Withdrawals from the same course

Title 5; Chapter 6 Section 55024 Revision

Effective July 1, 2009, college policy has limited the number of times that a student may withdraw from the same course. A student may withdraw and receive a W symbol on his or her academic records a total of three (3) times for enrollment in the same course. After the third W, the registration system will block registration in the course. To register again for the same course, the student will have to submit a Student Petition form to the Admissions & Records Office.

Refunds

To be eligible for a refund of enrollment fees, students must drop classes by the published deadline.

Dropping a class after the published deadline will result in loss of enrollment fees. Adding classes after the refund deadline will require that new fees be paid. Refunds for ASB card and Parking Permits are processed when the request is made at the Admissions and Records Office by the **"last day to drop with a refund"** deadline. A parking permit refund requires the return of the parking permit. Refunds for Credit Card payments will be returned to the credit card. Check and cash payments will be refunded by one of three methods as chosen by the student: refund loaded to a student-assigned debit card; refund transferred via ACH to student's personal banking account; or check mailed to the student's current home address. It is important that we have a current address on file. The refund process takes from 4 to 6 weeks.

Short-Term Classes Enrollment fees for short-term classes will be refunded if students drop before 10% of the scheduled class meetings have elapsed. For short-term classes that meet for less than five days, students must drop the day before the first class meeting to receive a refund.

Fees

Mandatory registration fees are determined by the State and/or the College's Board of Trustees and must be paid by all students immediately after registration each term. Effective Summer 2012:

Enrollment Fee = $ 46.00 per unit

Non Resident Tuition = $204.00. per unit

The Enrollment Fee is subject to change as approved by the California State Legislature.

Health Fee = $19.00 per semester

The mandatory health fee supports the Student Health Services. The health fee is not a replacement for personal health care insurance. The health fee is exempted for,

1) Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.

2) Students who are attending a community college under an approved apprenticeship training program (Ed Code76355)

Any student who either requests an exemption of the health fee or is determined by a Student Services program to warrant review for exemption will be referred to the Financial Aid Director of the respective college. The FA Director and at least one FA supervisor or technician will review these requests on a case by case basis.

Student Center Fee

This fee supports the Student Center and is assessed at $1 per unit up to a maximum of $5 per semester.

Associated Student Government (ASG)

Membership/ID Card Fee This $7 membership fee charged at the time of registration supports a variety of student services, activities, programs, scholarships, and discounts and covers the initial cost of the ID card. Should a student choose not to be a member, the fee is refundable when requested by the "refund" deadline. ID cards and stickers are available in the Campus Center Lobby. To obtain your ID card, you will need a copy of your registration statement and picture ID.

ASG Representation Fee

This $1.00 fee per semester, effective Fall 2011, is collected for the purpose of establishing a student representation fee. The proceeds support student government representatives stating their positions and viewpoints before city, county, and district government as well as offices and agencies of the state government. Should a student choose not to be represented, the fee is refundable when requested by the "refund" deadline.

Convenience Fee

A one-time per semester ***non-refundable*** fee of $3 is assessed for the use of MC Portal/MyWebServices, and in-person credit card payment.

Parking Permit Fee

Spring or Fall parking permits=$50.00
Summer Session parking permits=$25.00
Parking permits may be purchased online at **Parking Permits**
Prices subject to change.
Detailed parking information on page 9.

Fees for Services

Copy of Class Schedule=$2.00 per request.
Standard Official Transcripts=$6.00 each
(first 2 transcripts are free)

Effective January 01, 2013

One Hour Rush Transcripts=$20.00 each
Unofficial Transcripts=$2.00 per request
Duplicate Diploma=$10.00 each

Financial Aid Information

Maintaining Perspective

The purpose of financial aid is to assist students in their pursuit of education and career goals by removing some of the day-to-day financial pressures that may interfere. Federal and state financial aid is intended to supplement, not replace, a student's resources. In other words, students are expected to contribute, to the extent they are able, toward their educational costs. Mission College offers a variety of federal, state and institutional aid programs to assist students in meeting the costs of their education. To obtain information on eligibility requirements and necessary application forms, students are encouraged to visit the MC Portal to review your file status, stop by the Financial Aid Office or visit our website. **http://www.financialaid.missioncollege.edu/**

Some awards are subject to availability of funds; therefore, it is highly recommended that you apply as early as possible.

Board of Governor's Fee Waivers (BOGFW)

Board of Governors Waiver (BOGW) covers the enrollment fees, a portion of the parking fee, and, for lower income students, BOGW A, may also cover the campus center fee.

Recipient must be a California resident for at least one year and one day prior to the first day of each semester. AB540 Students (undocumented residents) now qualify for the BOGFW! Applications are available in the Schedule of Classes, on our website or at the Financial Aid Office.

BOGW A: To be eligible, you (or one of your parents, if you are dependent) must be a current recipient of public assistance such as AFDC/TANF/CalWORKS, SSI, GA, or others.

BOGW B: To be eligible, you (or one of your parents, if you are a dependent) must meet the following income standards:

Family Size	2012 Income for 2013–14 academic year
1	$16,755
2	$22,695
3	$28,635
4	$34,575
5	$40,515
6	$46,455
7	$52,395
8	$58,335
Each Additional Family Member	$5,940

BOGW C: To be eligible, you must qualify for a Pell Grant and/or have a minimum of $1,104.00 of "unmet need" as determined after completing a Free Application for Federal Student Aid (FAFSA) online.

The English BOGW is available online at: **http://www.missioncollege.edu/student_services/financial_aid/documents/2012-2013bogfwapp.pdf**

The Spanish BOGW is available online at: **http://missioncollege.org/student_services/financial_aid/documents/2013-14-BOGFW-SPANISH-Form-final.pdf**

Other Financial Aid Programs

- Federal Pell Grant
- Federal Academic Competitiveness Grant (ACG)
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work Study-part-time employment on or off campus
- Federal Direct Loans—subsidized & unsubsidized.
- California Grant Program (Cal Grant B or C or Chafee)
- Extended Opportunity Program and Services (EOP&S)
- Scholarships
- California Dream Act for AB540

Eligible Students: Not sure whether to file a FAFSA or Dream Act application? Follow this link for detailed online information: **https://dream.csac.ca.gov/**

Key Applicant Eligibility Requirements:

Student:

- Is a U.S. citizen or eligible non-citizen
- Declares a program of study leading to a degree, certificate for gainful employment in a recognized occupation, or a transfer program leading to a bachelor's degree at a four-year, degree-granting institution
- Demonstrates financial need by completing the "Free Application for Federal Student Aid" (FAFSA) available online at **www.fafsa.gov**
- Is not in default on any educational loan
- Does not owe a refund on any Title IV funds
- Has a high school diploma, G.E.D. or equivalent, or demonstrates "abilityto benefit"
- Meets other requirements as appropriate

Required Documents:

All documents may be submitted either by fax (408.855.5546), email **mcfa@wvm.edu**, or in-person during regular open office hours.

- Electronic Student Aid Report (Output document from FAFSA)
- Other documents as requested

How to Apply for Federal Aid

When you apply for financial aid, you will be asked for information about your financial situation. This information is used to determine whether your "financial need" meets the government's requirements for eligibility. Complete the "Free Application for Federal Student Aid" (FAFSA) available online at: **www.fafsa.gov**

If you qualify for a Pell Grant, you may also be eligible for other additional types of financial aid.

Even if you don't qualify for a Pell Grant, don't give up! You may still be eligible for a variety of other types of financial assistance, including fee waivers and scholarships.To find out about these other options, ask the staff at the Financial Aid Office.

The Financial Aid process time is approximate. The entire process can take three months or longer.

(Refer to the chart of the financial aid process, below.)

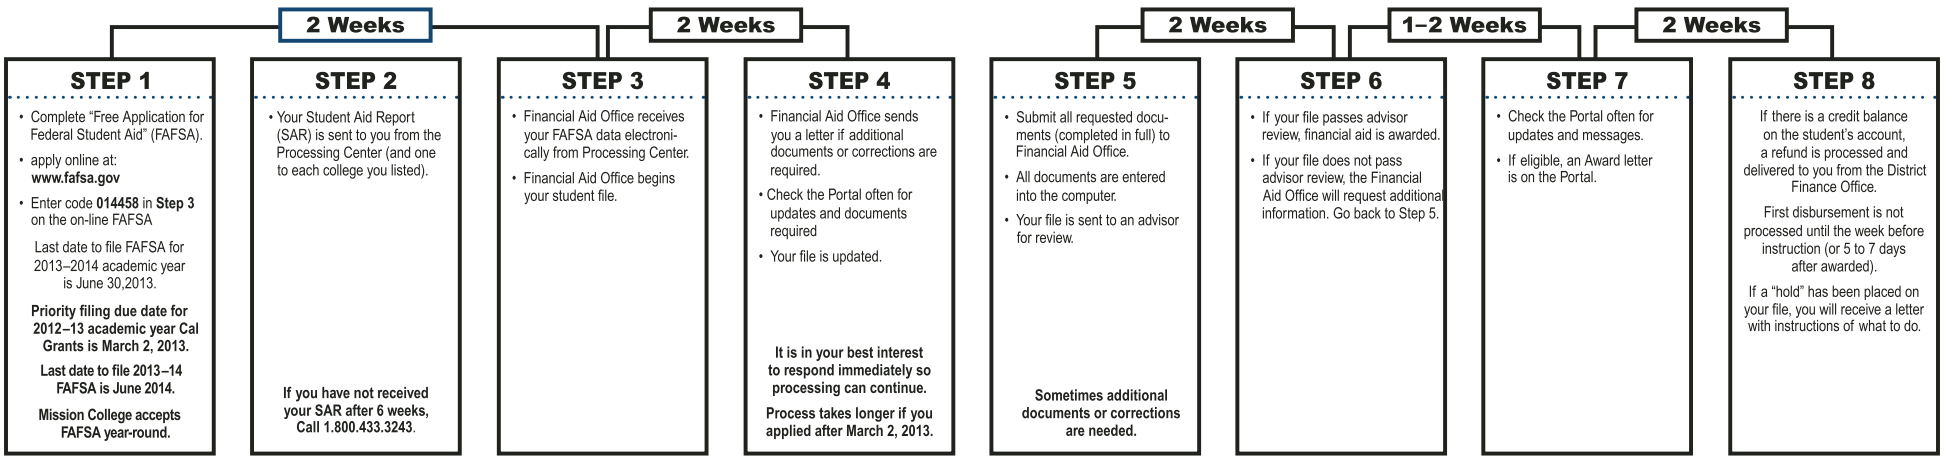
If you need additional information, go to the Financial Aid Office or call the Financial Aid Office at 408.855.5065. You may also email your questions to : **mcfa@wvm.edu**

Mission College Scholarships

Mission College offers a variety of scholarships ranging from $50 to $5,000 per year .Eligibility may vary based on fields of study, community and/or college involvement, and /or financial need. Applications are available at the Mission College/Financial Aid website in January for the following academic year.

Mission College Financial Aid Office reserves the right to revise its policies or procedures within the academic year to remain in compliance with changing federal and state regulations and guidelines.

The Financial Aid process time is approximate. The entire process can take three months or longer.
If you need additional information, go to the Financial Aid Office or call the Financial Aid Office at 408.855.5065.



Academic Standards, Mission Statement & Non-Discrimination Policy

Academic Standards

It is the student's responsibility to be familiar with college academic standards. See Academic Regulations and Standards section in the current Mission College Catalog for complete information.

Academic Regulations and Policies

It is the student's responsibility to be familiar with academic regulations and standards including policies for attendance, cheating, and other disciplinary sanctions. See Academic Regulations and Standards section in the current Mission College Catalog for complete information.

MISSION COLLEGE Mission Statement

Mission College's first priorities are students, their learning and their success.

Our College serves the diverse educational, economic and cultural needs of the student population of Santa Clara, the Silicon Valley and our global community by providing associate degrees, transferable, career and basic-skills courses and programs, as well as opportunities for life-long learning.

Through participatory governance in support of our first priorities, Mission College systematically commits to evaluating and improving educational programs, technological resources and student support services by making informed decisions, allocating resources and establishing institutional policies and procedures.

Non-Discrimination Statement

The West Valley/Mission Community College District is an open-door community college district. Mission College does not discriminate on the basis of ethnic group identification, national origin, race, color, ancestry, religion, creed, age, sex, sexual orientation, marital or parental status, medical condition, or physical or mental disability, in any of its programs, services or courses of study.

Note: Non-Discrimination statements in Spanish, Tagalog, and Vietnamese are available on our website at the following URL:
http://www.missioncollege.edu/class_schedule/2014_winter-spring/

Parking Information

WINTER SESSION

There is no grace-period during the Winter Session. All vehicles parked on campus during the Winter Session must have a valid parking permit properly displayed at all times.

During the Winter Session, (Thursday, January 2 through Thursday, January 23, 2014) all of the following parking permits will be valid for use:

- Fall 2013 Semester Permit
- Spring 2014 Semester Permit
- Daily Parking Permit

Students who have already purchased a Fall 2013 or Spring 2014 semester length permit may use either of these permits to legally park on campus during the Winter Session. In addition, any student who is officially enrolled in a Winter Session class, and who does not already own a Fall 2013 or Spring 2014 semester length permit is eligible to receive a FREE student parking permit valid for use during the 2014 Winter Session. Winter Session students may pick-up their free student parking permit at the Admissions and Records office during normal business hours.

SPRING SEMESTER

A student parking "Grace-Period" will be observed during the week immediately prior to the start of the Spring semester and during the first week of the Spring semester. (Monday January 20 through Sunday February 2, 2014). During the grace period, no parking citation will be issued to any vehicle that is parked in a marked student parking stall without a permit; all other parking violations will be enforced. Parking citations will be issued to vehicles failing to display a valid student parking permit beginning Monday, February 3, 2014.

- A semester-length student parking permit may be purchased online at **www.missioncollege.edu** or in person at the Admissions and Records Office. For online purchases, a printable temporary permit will also be provided if the permit purchased is currently in use. To purchase a permit, either online or in person, you will need to know your vehicles make, model, color and license plate number. To be valid, the permit must be properly placed on the vehicle and be clearly visible from the outside. To be properly placed, it must be affixed to the inside of the front windshield, bottom corner, driver's side. Improper or non-display of a permit will result in a parking citation.
- One-day "Daily" parking permits may be purchased at any of the daily permit dispensers located in parking lots B, C and D. Daily permits are $3.00 per day and all daily permit dispensers will accept $1.00 bills, $1.00 coins, quarters, dimes and nickels. Daily permits must be displayed on the front dashboard and the expiration date must be visible from the outside of the vehicle.
- Visitors who will be on campus for a brief visit may take advantage of a limited number of free forty (40) minute time zone parking stalls located in the front row of Parking Lot A. Vehicles properly parked in a marked time zone stall do not need to display a parking permit. Visitors who believe their visit may exceed the posted time limit are encouraged to purchase a daily parking permit for use in a student parking stall. Vehicles parked in a marked time-zone in excess of the posted time limit may receive a citation.
- Motorcycles/motorscooters are prohibited from parking in spaces designated for four-wheel vehicles. Designated motorcycle parking is available in each parking lot. No parking permit is required for motorcycles parking in designated motorcycle parking areas.
- Disabled parking—all drivers who are disabled (as defined in the California Vehicle Code Section 295.5) and use a designated disabled parking stall must display a valid placard or specialized license plates issued by the California Department of Motor Vehicles. Failure to display a valid placard or plate will result in a citation and fine of $285.
- Special parking and loading-Students or Staff members who have special parking or loading needs must contact the District Police in advance. Business cards or notes left on the vehicle are not acceptable and a citation will result. No warnings are issued.
- This parking information was accurate at the time of publication. However, due to changes in legislation, procedure, or policy, these regulations or procedures are subject to change without written notice. This is a summary of District Parking Policies. Detailed information is available at the Police Business Office or Campus Information Desk located at the Student Center.

Additional Questions? Please contact District Parking Services at **408.855.5435** or via e-mail at **parking.services@wvm.edu**, or visit us at the District Police Office located in the Campus Center. To view the West Valley-Mission District Parking and Traffic web page, please scan the QR code (to the left) with any QR scanner application on your cell phone. The website can also be found at: **http://wvm.edu/group.aspx?id=2435**

Final Exam Period

Spring Semester 2014 Final Exam Period

Saturday	Monday	Tuesday	Wednesday	Thursday	Friday
May 17	May 19	May 20	May 21	May 22	May 23

May 17–23, 2014 (Saturday Classes Finals: May 17, 2014)

Final examinations will not be given in advance of scheduled times.

A final examination is required of all students in all classes. Semester-length courses are required to have a final during the scheduled exam period. Courses that are less than regular semester length will have their final on the last day/night the class is scheduled. Students taking classes online, or courses taught off-campus should see their instructor or course syllabus to determine final exam times. Classes meet once during the final exam period.

All finals will be two (2) hours in length. The following are guidelines which will determine your final exam schedule for full semester-length courses.

- Classes that meet only one day each week:

▶ If your class meets only one day each week and starts before 6:30 pm, the final exam will be held for 2 hours in the same room, starting at the regular class time.

▶ If your class meets only one day each week and starts at 6:30 pm or later, the final exam will be held in the same room, from 7:30 pm to 9:30 pm.

- Classes that meet two or more times each week, the class will be held for 2 hours starting at the regular class starting time on one of its regular meeting days as identified from the following table:

▶ The final exam will be on the **first** class meeting of final exams week at its usual time if the class starts in the ranges of:

7:45 am – 9:15 am
10:55 am – 12:25 pm
2:05 pm – 3:35 pm
5:15 pm – 6:45 pm

▶ The final exam will be on the **second** class meeting of final exams week at its usual time if the class starts in the ranges of:

9:20 am – 10:50 am
12:30 pm – 2:00 pm
3:40 pm – 5:10 pm
6:45 pm – 7:00 pm

How to Determine Your Final Schedule

- Have your class schedule on hand.
- Identify what time range your class starts in.
- Determine your final exam date and time as per guidelines above.
- Final Examination Conflicts: In case of room or hour conflicts, please notify the instructor and the instructor will notify the appropriate Division Chairperson for resolution.

Examples:

Some examples to consider.

POLIT*001 section 31464 meets Monday and Wednesday from 9:20 AM to 10:45 AM. Your Final Exam would be held on the **second** class meeting during finals week, which would be Wednesday, May 21, 2014 from 9:20 am to 11:20 am in room MT-21.

PSYCH*012 section 31487 meets Thursday evenings from 7:00 pm to 10:10 pm. Your Final Exam would be held on Thursday, May 22, 2014 from 7:30 pm to 9:30 pm in room N3-501.

Course Repetition and Families of Courses

Effective with Summer/Fall 2013 registrations, new State regulations severely limit the ability of courses to be repeated after receiving a passing grade. In addition, there are groupings of courses in the West Valley-Mission Community College District with similar active participatory content called "families" within the Kinesiology, Wellness & Human Performance, Physical Education, Art, Theatre, and Music disciplines. West Valley and Mission Colleges' courses in these defined families are linked, independent of location taken, and students may only attempt up to 4 courses in any single family. An attempt is defined as receiving any grade or notation (e.g., W for withdrawal) in any previous or current terms – this is a cumulative count of attempts. If a family has less than 4 courses in its offerings and you have received passing grades for each of its courses, the maximum attempts allowed may be less than 4.

Students with documented, extenuating circumstances must complete and submit a Student Petition to the Admissions & Records Office for consideration of attempts beyond 4 within an individual family.

Refer to the table in the on-line schedule, campus catalog or consult with a Counselor to review the full list of courses within families.

Information about required course textbooks (ISBN Number & price) is available from the Portal, after registering, by clicking on the "Bookstore & Parking Permit" link.

Enrollment Management — A Student Responsibility —

As a student at Mission College, it is your responsibility to manage your enrollment. This includes updating your personal information record via MC Portal, checking Angel messages from your instructors, reading notices posted on the Student Portal, registering for classes in a timely manner, adhering to all deadlines listed on the Important Dates page at the beginning of the Schedule (in particular late registration, withdrawal from classes, payment of fees), and monitoring your academic standing.

Easy Ways to Stay Informed

- ✔ Update your email address each time you register—it's our preferred way of contacting you and the fastest way to learn about any changes to your schedule.

  If you are waitlisting a class, check your email daily for any updates regarding your registration status.
- ✔ Visit the Student Portal every week—new information is posted all the time!
- ✔ Check out our online catalog to learn about all our programs, certificates, and degrees: missioncollege.org/catalog

Information about required course textbooks (ISBN Number & price) is available from the Portal, after registering, by clicking on the "Bookstore & Parking Permit" link.

Once you have found the classes you want, scan the QR code to register at Mission College.

www.missioncollege.edu/class_schedule/one-stop.html

Prerequisites and corequisites are mandatory. If you are blocked from enrolling in a class because you have not met the requisite, see your counselor.
Courses used to meet prerequisite and corequisite requirements must have been completed with a grade of C, credit, or better. Advisories are recommendations only.

The Mission College Catalog is your reference document for detailed degree, course or college information.
Please visit missioncollege.org/catalog to view or download the Mission College catalog.

Information about required course textbooks (ISBN Number & price) is available from the Portal, after registering, by clicking on the "Bookstore & Parking Permit" link.

Enrollment Management — A Student Responsibility —

As a student at Mission College, it is your responsibility to manage your enrollment. This includes updating your personal information record via MC Portal, checking Angel messages from your instructors, reading notices posted on the Student Portal, registering for classes in a timely manner, adhering to all deadlines listed on the Important Dates page at the beginning of the Schedule (in particular late registration, withdrawal from classes, payment of fees), and monitoring your academic standing.

Prerequisites and corequisites are mandatory. If you are blocked from enrolling in a class because you have not met the requisite, see your counselor.
Courses used to meet prerequisite and corequisite requirements must have been completed with a grade of C, credit, or better. Advisories are recommendations only.

The Mission College Catalog is your reference document for detailed degree, course or college information.
Please visit missioncollege.org/catalog to view or download the Mission College catalog.

Information about required course textbooks (ISBN Number & price) is available from the Portal, after registering, by clicking on the "Bookstore & Parking Permit" link.

SAVE THE DATE ▶ **Saturday, May 10, 2014**

As **MISSION COLLEGE** moves toward completing the first phase of the Main Building replacement, we want to invite the community to join in our celebration. We will be honoring the building's patron, Mr. Gary Gillmor, and his family, and giving tours of this newest high-tech facility on our campus. More news and details will be forthcoming about this event, but please save the date. ----------

SCHEDULE of CLASSES

Winter Session/Spring Semester 2014

P.E. = WHP =

Kinesiology

The Evolution of P.E.

For years and years, the letters P.E. have stood for "Physical Education." And physical education for most people means adapted physical education, tennis, basketball, dance, badminton, baseball, volleyball, archery, soccer and softball. But at Mission College, P.E. is all that, but also intercollegiate athletics, fire fighter agility training, weight training, aerobics, hiking, yoga, martial arts, self-defense, anatomy, sports injury and more.

What's WHP??!

So, to better describe the kinds of classes taught at Mission College, years ago the Physical Education department changed it's name to Wellness and Human Performance, or WHP. And it made sense, because maintaining wellness and being physically fit are two focuses of the department, as well as all sorts of human performance activities like those listed above.

Here comes Kinesiology

Kinesiology means "The scientific study of human movement." In many ways, that is exactly what the names Physical Education and Wellness and Human Performance were meant to describe. More than exercise, more than sports, more than movement. It is also the term that the state of California has adopted for advanced studies in this field. Since Mission College has developed a new Associate of Arts for Transfer (AA-T) degree, and with universities using the same terminology, it just made sense to change the department's name one last time to align with the state's name.

Interested in taking a P.E. class? Look in the schedule under Kinesiology and sign up today!
