### Summer Session
There is no grace-period during any of the Summer Session. All vehicles parked on campus during the Summer Session must have a valid parking permit properly displayed at all times.

### Fall Semester
A student parking “Grace-Period” will be observed during the week immediately prior to the start of the Fall semester and during the first week of the Fall semester. (Saturday, August 16, 2014 through Monday September 1, 2014). During the grace period, no parking citation will be issued to any vehicle that is parked in a marked student parking stall without a permit; all other parking violations will be enforced. Parking citations will be issued to vehicles failing to display a valid student parking permit beginning Tuesday, September 2, 2014.

### General Information
A semester-length student parking permit may be purchased online at missioncollege.edu or in person at the Admissions and Records Office. For online purchases, a printable temporary permit will also be provided if the permit purchased is currently in use. To purchase a permit, either online or in person, you will need to know your vehicles make, model, color and license plate number. To be valid, the permit must be properly placed on the vehicle and be clearly visible from the outside. To be properly placed, it must be affixed to the inside of the front windshield, bottom corner, driver’s side. Improper or non-display of a permit will result in a parking citation.

- One-day “Daily” parking permits may be purchased at any of the daily permit dispensers located in parking lots B, C and D. Daily permits are $3.00 per day and all daily permit dispensers will accept $1.00 bills, $0.50 coins, quarters, dimes and nickels. Daily permits must be displayed on the front dashboard and the expiration date must be visible from the outside of the vehicle.
- Visitors who will be on campus for a brief visit may take advantage of a limited number of free forty (40) minute time zone parking stalls located in the front row of Parking Lot A. Vehicles properly parked in a marked time zone stall do not need to display a parking permit. Visitors who believe their visit may exceed the posted time limit are encouraged to purchase a daily parking permit for use in a student parking stall. Vehicles parked in a marked time zone in excess of the posted time limit may receive a citation.
- Motorcycles/motor scooters are prohibited from parking in spaces designated for four-wheel vehicles. Designated motorcycle parking is available in each parking lot. No parking permit is required for motorcycles parking in designated motorcycle parking areas.
- Disabled parking—all drivers who are disabled (as defined in the California Vehicle Code Section 295.5) and use a designated disabled parking stall must display a valid placard or specialized license plates issued by the California Department of Motor Vehicles. Failure to display a valid placard or plate will result in a citation and fine of $285.
- Special parking and loading-Students or Staff members who have special parking or loading needs must contact the District Police in advance. Business cards or notes left on the vehicle are not acceptable and a citation will result. No warnings are issued.

## Course Repetition and Families of Courses
New State regulations severely limit the ability of courses to be repeated after receiving a passing grade. In addition, there are groupings of courses in the West Valley-Mission Community College District with similar active participatory content called "families" within the Kinesiology, Wellness & Human Performance, Physical Education, Art, Theatre, and Music disciplines. West Valley and Mission Colleges’ courses in these defined families are linked, independent of location taken, and students may only attempt up to 4 courses in any single family. An attempt is defined as receiving any grade or notation (e.g., W for withdrawal) in any previous or current terms – this is a cumulative count of attempts. If a family has less than 4 courses in its offerings and you have received passing grades for each of its courses, the maximum attempts allowed may be less than 4.

Students with documented, extenuating circumstances must complete and submit a Student Petition to the Admissions & Records Office for consideration of attempts beyond 4 within an individual family.

Refer to the table in the on-line schedule, campus catalog or consult with a Counselor to review the full list of courses within families.
