Dear President Robles:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting June 9-11, 2010, reviewed the Follow-Up Report submitted by the College and the report of the evaluation team which visited Monday, April 13, 2010. The Commission took action to accept the report, remove Warning, and reaffirm accreditation.

The Follow-Up Report will become part of the accreditation history of the College and should be used in preparing for the next comprehensive evaluation. I have previously sent you a copy of the Evaluation Team Report. Additional copies may now be duplicated. The Commission requires that you give the report and this letter appropriate dissemination to your college staff and to those who were signatories of your college report. This group should include the Chancellor, campus leadership, and the Board of Trustees. The Commission also requires that all reports be made available to students and the public. Placing copies in the college library can accomplish this. Should you want an electronic copy of the report, please contact Commission staff.

All colleges are required to file a Midterm Report in the third year after each comprehensive evaluation. Mission College should submit the Midterm Report by March 15, 2011. Midterm Reports indicate resolution of any team recommendations made for improvement, include a summary of progress on College-identified plans for improvement as expressed in the Self Study Report, and forecast where the College expects to be by the time of the next comprehensive evaluation.

**Commission Reminder:** The Commission expects that institutions meet standards that require the identification and assessment of student learning outcomes, and the use of assessment data to plan and implement improvements to educational quality, by fall 2012. The Commission reminds Mission College that it must be prepared to demonstrate that it meets these standards by fall 2012 (Standards I.B.1, II.A.2.c, II.A.2.f, II.B.4, and II.C.2)

On behalf of the Commission, I wish to express continuing interest in the institution’s educational quality and students’ success. Professional self-regulation is the most effective means of assuring institutional integrity, effectiveness, and quality.

Sincerely,
