• Apply on-line at www.missioncollege.edu or, in person in the Admissions Office.

Please note: If you are applying for Financial Aid, submit your Financial Aid application and/or Fee Waiver application, page 13 or page 19, to the Financial Aid Office at the same time that you apply for admission to the college (if you have not already done so, apply for Federal aid using the FAFSA form).

Step 2

You will be required to meet any prerequisite requirements.

Prerequisites and Corequisites
A prerequisite is a course or skill, which is required before you can enroll in a particular course. For example, Chemistry 1A, with a grade of C or better, is required before taking Chemistry 1B. A corequisite is a course, which you must take at the same time as another course as a condition of enrollment. For example, if you want to take Business 21L, you must be concurrently enrolled in Business 21. Prerequisites and corequisites are necessary to ensure that you have sufficient knowledge and skill to participate and complete the assigned work in a class. You may not be permitted to enroll in a class if you have not met the prerequisite. See a counselor if you need help in this matter.

Challenging Prerequisites or Corequisites
You have the right to challenge prerequisites or corequisites or other limitations on enrollment for the following reasons:

1. You have successfully completed the pre- or corequisite at another college.
2. You believe you have acquired the knowledge or ability to succeed despite not fulfilling the pre- or corequisite.
3. You believe the pre- or corequisite has not been made reasonably available at Mission.
4. You believe the pre- or corequisite or other limitation on enrollment is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
5. Enrollment in this class has been limited to a special group of students and there are no other classes that would allow you to meet this requirement.
6. You understand that the pre- or corequisite was established to protect the health and safety of students. Despite the fact that you do not meet the pre- or corequisite, you believe that you are able to demonstrate that you do not pose a threat to yourself or others.

To Challenge a Prerequisite or Corequisite or other Limitation on Enrollment

1. If you attended a California college or university:
   a. send your official transcript(s) to the Admissions and Records Office
   b. email/fax your unofficial transcript(s) and a copy of a photo ID (ie: CA driver’s license, college ID or other government issued ID) to Student Enrollment and Services
   c. bring official or unofficial transcript(s) to the Counseling Center (Main Building E1-301)

2. If you attended a college or university outside of California or the United States, bring official or unofficial transcripts to the Counseling Office to complete a Prerequisite Challenge Form.

3. If you have not completed the Prerequisite, but believe you have the knowledge or ability to succeed in the class, bring supporting documents to the Counseling Office to complete a Prerequisite Challenge Form.

For numbers 2 and 3, submit the completed form and required supporting documentation to Admissions and Records. Please note that upon filing the challenge form you may enroll in the class in question if space is available by submitting this form to Admissions and paying all necessary fees. If your challenge is denied, the college does have the right to drop you from class and your fees will be automatically refunded.
Academic Skills Test

Computerized Placement Testing
Mission College is offering Year-Round Computerized Placement Tests.

**Appointments are not needed, students are taken on a “First Come — First Serve” basis.**
Plan ahead - don't wait until it's too late. You may come anytime, during our office hours, to take your tests.

If you decide to wait until the week before classes begin, you run the chance of waiting long hours for others to finish their tests.

**Students with Disabilities**
Students with Disabilities, if you need assistance, contact the Disability Instructional Support Center (DISC) in Room S2-201, or by calling 408.855.5085 or TTY at 408.727.9243.

**Four Important Rules**
1. Students are allowed to take Placement Tests two (2) times in a 365 day period.
2. You must have a Mission College Student ID Number in order to take any test.
3. You must have a picture ID. (e.g., Driver's License, Student Picture ID Card, or Passport/VISA)
4. Placement Tests are for initial placement only, not to skip courses (jump classes). If this is your intention, please see a Counselor, and they will help you file a Prerequisite Challenge Form.

**Assessment Center Office Hours**
Assessment Center Office hours are posted on-line at www.missioncollege.edu/student_services/assess/index.html or on the front window of the Assessment Center, Room: E1-101.

There will be times when the Assessment Center is closed. This is due to meetings or off-site testing. Times will be posted on the Assessment Center door of when to expect staff to return.

**Test Results**
Test results for English, Math and Reading are instant. For ESL (English as a Second Language) results, it may take up to 5 business days.

**How long does each test take?**
This is a very good question. All Tests are Timed. Some students might finish well before time expires, some might take the full amount of time. The important thing is to do the best you can.

Below is the maximum allotted time for each test:
- English: **90 minutes**
- ESL (English as a Second Language): **90 minutes**
- Reading: **30 minutes**
- Math (choice of 4 tests)
  1. Algebra Readiness Test: **45 minutes**
  2. Elementary Algebra Test: **45 minutes**
  3. Intermediate Algebra Test: **45 minutes**
  4. Pre-Calculus Readiness Test: **90 minutes**

Continuing students who have not taken the tests and want to enroll in courses with a prerequisite in English, ESL, Math and/or Reading are required to take the placement test before registration.

**Exemptions: you may not need to take the placement tests if you:**

- Have completed an AA/AS degree or higher at a U.S. College or University.
- Plan to enroll in courses without English, ESL, Math or Reading prerequisites.
- Have completed an agreement with the Counseling Office (Room: E1-301) for an acceptable Prerequisite Challenge Form. (e.g., transcripts or assessment test results from another college, etc.)
What are the Benefits?

Financial Aid

Maintaining Perspective
The purpose of financial aid is to assist students in their pursuit of education and career goals by removing some of the day-to-day financial pressures that interfere with that pursuit. Federal and state financial aid is intended to supplement, not replace, a student’s resources. In other words, students are expected to contribute, to the extent they are able, toward their educational costs. Mission College offers a variety of federal, state and institutional aid programs to assist students in meeting the costs of their education. To obtain information on eligibility requirements and necessary application forms, students are encouraged to stop by the Financial Aid Office or visit our website at: www.financialaid.missioncollege.edu
Some awards are subject to availability of funds; therefore, it is highly recommended that you apply as early as possible.

Board of Governor’s Fee Waivers (BOGFW)
Board of Governors Waiver (BOGW) covers the enrollment fees, a portion of the parking fee, and, for lower income students, BOGW A, may also cover the campus center fee.

Recipient must be a California resident for at least one year and one day prior to the first day of each semester. Applications are available in the Schedule of Classes, on our website or at the Financial Aid Office.

BOGW A: To be eligible, you (or one of your parents, if you are dependent) must be a current recipient of public assistance such as AFDC/TANF/CalWORKS, SSI, GA, or others.

BOGW B: To be eligible, you (or one of your parents, if you are a dependent) must meet the following income standards:

Parking Information

Summer Sessions
There is no student parking grace-period offered during any of the Summer sessions. All vehicles parked on campus during the Summer sessions must have a valid parking permit properly displayed at all times.

Spring Semester
A student parking “Grace-Period” will be observed during the week immediately prior to the start of the Fall semester and during the first week of the Fall semester. (Monday August 22, 2011 through Monday September 5, 2011). Please note that the grace-period no longer includes the second week of the semester. During the grace period, no parking citation will be issued to any vehicle that is parked in a marked student parking stall without a permit; all other parking violations will be enforced. Parking citations will be issued to vehicles failing to display a valid student parking permit beginning Tuesday September 6, 2011.

General Information
- There is no grace period for timed zones, red zones, handicap zones, staff parking and other restricted areas. Parking areas specifically marked for disabled parking, red zones, loading zones, time zones and other restricted areas are enforced every day, 24-hours a day. Student and Staff parking permit requirements are enforced seven (7) days a week between 7:00am and 10:00pm.
- A semester-length student parking permit may be purchased online at www.missioncollege.edu or in person at the Admissions and Records Office. For online purchases, a printable temporary permit will also be provided if the permit purchased is currently in use. To purchase a permit, either online or in person, you will need to know your vehicles make, model, color and license plate number. To be valid, the permit must be properly placed on the vehicle and be clearly visible from the outside. To be properly placed, it must be affixed to the inside of the front windshield, bottom corner, driver’s side. Improper or non-display of a permit will result in a parking citation.
- Stolen permits should be immediately reported to the District Police Department by calling 408-855-5435 or by visiting the Police business office located at the campus center. Lost permits will not be replaced free of charge, however, a replacement permit may be purchased at the original purchase price. BOG (Board of Governor) students who wish to purchase a replacement permit at the discounted rate of $20 must report the loss of their first permit to the District Police Department to be eligible for a replacement permit at the discounted price.
- Daily permits may be purchased at any of the daily permit dispensers located in parking lots B, C and D. All daily permit dispensers will accept $1.00 bills, quarters, dimes and nickels. Daily permits must be displayed on the front dashboard and the expiration date must be visible from the outside of the vehicle.
- Purchase and/or possession of a permit does not authorize parking on campus. It is the responsibility of the driver to properly park the vehicle and display a valid and authorized permit. Vehicles with car covers are no exception. Failure to properly display a permit will result in a citation.
- Motorcycles/motorscooters are prohibited from parking in spaces designated for four-wheel vehicles. Designated motorcycle parking is available in each parking lot. No parking permit is required for motorcycles parking in designated motorcycle parking areas.
- Disabled parking—All drivers who are disabled (as defined in the California Vehicle Code Section 295.5) and use a designated disabled parking stall must display a valid placard or specialized license plates issued by the California Department of Motor Vehicles. Failure to display a valid placard or plate will result in a citation and fine of $280.
- Special parking and loading—Students or Staff members who have special parking or loading needs must contact the District Police in advance. Business cards or notes left on the vehicle are not acceptable and a citation will result. No warnings are issued.
- This parking information was accurate at the time of publication. However, due to changes in legislation, procedure, or policy, these regulations or procedures are subject to change without written notice. This is a summary of District Parking Policies. Detailed information is available at the Police Business Office or Campus Information Desk located at the Student Center.
This is an application to have your ENROLLMENT FEES WAIVED. This FEE WAIVER is for California residents only. If you need money to help with books, supplies, food, rent, transportation and other costs, please complete a FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) immediately. Estudiantes que Regresan y Estudiantes Transferidos

Proceso de Solicitud de Admisión y Matriculación para estudiantes nuevos, que regresan y transferidos
Un estudiante de nuevo ingreso es aquel que nunca ha estado inscrito en un colegio (los estudiantes de preparatoria son siempre considerados de nuevo ingreso.) Un estudiante que regresa es aquel que estuvo matriculado en Mission College anteriormente, pero que no se inscribió en ninguna clase el semestre pasado. Un estudiante transferido es aquel que asistió a otro colegio, pero no a West Valley College o Mission College, y desea inscribirse en Mission en el periodo académico en curso.

Paso 1: Llene una Solicitud de Admisión
Puede rellenar su solicitud por Internet al www.missioncollege.edu, al terminar, imprima los documentos y envíe por correo sólo la página con su firma, o solicite una aplicación en persona en la Oficina de Admisión y Archivos Estudiantiles. Al finalizar el proceso, se le dará una fecha de inscripción y un número de identificación, ya sea por correo electrónico (para solicitudes por Internet) o por correo regular.

Paso 2: Oficina de Ayuda Financiera.

(Después de la matricularse en clases, los estudiantes deben darse de baja de la clase si decidieron cambiar su matriculación por lista de espera.)

**Para agregar clases que estén cerradas... Número de matriculación**

Para agregar una clase cuando el semestre ha comenzado, debe asistir al primer día de clases (esté o no en la lista de espera). Si hay asientos libres, el profesor asignará “Números de Matriculación” a los estudiantes para que agreguen la clase. El Número de Matriculación es un código de cinco dígitos que da la autorización al estudiante para que agregue clases a través de nuestro sistema de inscripción por Internet—MyWebServices. (Usted va a necesitar un número de matriculación diferente para cada clase que desee agregar). Los “Números de Matriculación” son válidos durante las primeras dos semanas de clases.

**Darse de baja en las clases**

Es la responsabilidad de los estudiantes el darse de baja de las clases oficialmente. No asuma que va a ser dado de baja por el profesor. Si usted no se da de baja, será responsable de cubrir todos los costos por matriculación relacionados a las clases (aunque el estudiante no haya asistido a las clases). Revise las fechas de calendarios en este horario de clases para los plazos. Debe darse de baja de las clases vía MyWebServices en el sitio www.mission-college.edu

Puesto en efecto el 1° de julio de 2009, esta regla limita el número de veces que los estudiantes pueden darse de baja de una clase. Un estudiante puede darse de baja tres (3) veces de una misma clase a la que se haya inscrito en períodos distintos y recibir una “W” por cada una de estas veces en su expediente académico. Después de la tercera “W” el sistema de matriculación bloqueará su inscripción en este curso. Para matricularse nuevamente en este curso, usted necesita presentar la forma “Student Petition” a la Oficina de Admisión y Archivos Estudiantiles.

**Reembolsos**

Para ser elegible y recibir un reembolso del costo por matriculación, los estudiantes deben darse de baja de las clases en o antes de la fecha límite publicada.

Al darse de baja después de la fecha límite, perderá el costo de matriculación. Agregar clases después de la fecha límite para recibir el reembolso implicará el pago de nuevos costos. Los reembolsos por el pago de la tarjeta estudiantil y de los permisos para estacionarse serán procesados cuando se haga la petición en la Oficina de Admisión y Archivos Estudiantiles para la fecha límite para darse de baja con reembolso de pago. El reembolso por el pago del permiso para estacionarse requiere que el permiso sea devuelto. El reembolso a pagos con tarjeta de crédito será hecho a la tarjeta de crédito usada por el estudiante. Los pagos con cheques y en efectivo serán devueltos por uno de tres métodos elegidos por el alumno: reembolso cargados a un tarjeta de débito estudiantes asignados; reembolso transferidos a través de ACH a la cuenta del estudiante de bancaria personal, o cheque enviado a la dirección del estudiante actual. Es importante que tenga su información actualizada en su expediente académico. El proceso de reembolso tarda de 4 – 6 semanas.

**Clases de Corte-Plazo**

El pago por matricularse en clases de corto plazo será reembolsado si el estudiante se da de baja antes de que se cumpla el 10% del total de la clase. Para clases de corto plazo que se reúnan cinco días o menos, los estudiantes deberán darse de baja un día antes del primer día de clase para poder recibir el reembolso.

**Costos**

Pasos para el Éxito

La matriculación es un esfuerzo a lo largo y ancho del colegio y beneficia a los estudiantes de Mission College.

Cómo empezar...
Aptitudes Académicas, Evaluación y Orientación

La Evaluación de Aptitudes Académicas/Examen de Ubicación y la Orientación están disponibles para todos los estudiantes de Mission College. Ambos son requisitos para todos los estudiantes de nuevo ingreso y para aquellos que indicaron en su solicitud de admisión su intención de completar un certificado, diplomado o transferirse a una universidad o colegio de cuatro años. Además, todos los estudiantes matriculados y aquellos estudiantes que están tomando un curso que requiera prerrequisito en inglés, inglés como segunda lengua, matemáticas o lectura deben tomar la Evaluación y la Orientación. Los estudiantes que necesitan asistencia especial para esta evaluación debido a alguna discapacidad (física, auditiva o de aprendizaje) debe comunicarse con el Centro de Apoyo a la Enseñanza para Discapacitados al teléfono 408.855.5085. Para más información sobre los exámenes o las clases de Orientación vea la página 4 y 9.

Exenciones

Estará exento de tomar la Orientación/Evaluación de aptitudes si ha completado un diplomado AA/AS o más avanzado, o si es estudiante que regresa que haya completado satisfactoriamente cursos en las siguientes áreas: inglés, ESL, lectura y matemáticas. Si ha completado la evaluación en cualquier otro colegio, debe traer los resultados que muestren la ubicación recomendada a un consejero académico para recibir ayuda para escoger los cursos apropiados. Si está matriculado en otro colegio/universidad y está tomando una sola clase en Mission College es posible que no necesite acudir a la Orientación si provee pruebas de su matriculación en la otra institución a la que asiste. Debe cumplir con todos los prerrequisitos estipulados.

Prerrequisitos y Correquisitos

Un prerrequisito es un curso o habilidad, que necesita antes de matricularse en ciertos cursos. Por ejemplo, antes de tomar Química 1B, debe aprobar Química 1A con una “C” o mejor. Un correquisito es un curso que debe tomarse a la par de otro como condición de la matriculación. Por ejemplo, si quiere tomar “Business 21L” también debe matricularse en “Business 21”. Los Prerrequisitos y Correquisitos son necesarios para asegurar que tenga el suficiente conocimiento y habilidades para participar y completar todo el trabajo asignado en la clase. Tal vez no se le permita matricularse en una clase si no ha cumplido con los prerrequisitos asignados. Veá a su consejero académico si necesita ayuda respecto a este asunto.

Desafiando los prerrequisitos o correquisitos

Tiene el derecho a desafiar/retar los prerrequisitos, los correquisitos u otras limitaciones para matricularse debido a las siguientes razones:

1. Ha completado en forma exitosa los Pre- o Correquisitos en otro colegio.
2. Cree que ha adquirido el conocimiento o la habilidad necesaria para tener éxito en la clase aunque no haya cumplido con los requisitos antes mencionados.
3. Cree que los Pre- o Correquisitos no han sido ofrecidos en forma razonable en Mission College.
4. Cree que los Pre- o correquisitos u otra limitación para matricularse son ilegalmente discriminados o que han sido aplicados en una forma ilegalmente discriminatoria.
5. La matriculación en esta clase ha sido limitada para un grupo especial de estudiantes y no hay otra clase que le permitiría cumplir con este requisito.
6. Entiende que los pre- o correquisitos fueron establecidos para proteger la salud y seguridad de los estudiantes. A pesar de que no cumple con los pre- o correquisitos, cree que puede demostrar que no representa peligro para usted o los demás.

Para desafiar los prerrequisitos, correquisitos u otras limitaciones para matricularse

1. Si usted asistió a un colegio o universidad de California:
   a. envíe su transcripción académica oficial(s) a la Oficina de Admisiones y Registros (Oficina de Admisión y Registros, 3000 Mission College Blvd., Santa Clara, CA 95054-1897).
   b. correo electrónico o por fax su transcripción no oficial(s) y una copia de una identificación con fotografía (por ejemplo: licencia de conducir de California, identificador de la universidad o identificación emitida por otro gobierno) para Matriculación de alumnos y el correo electrónico Servicios: seas.center@wvm.edu / fax: 408.855. 5478.
   c. traer oficial o una transcripción no oficial (s) para el Centro de Consejería (Edificio Principal de la E1-301).
2. Si usted asistió a una universidad fuera de California o los Estados Unidos, trae transcripciones oficiales o no oficiales de la Oficina de Consejería para completar un formulario de Prerrequisito desafío.
3. Si usted no ha completado el requisito previo, pero cree que tiene el conocimiento o habilidad para tener éxito en la clase, lleve los documentos de apoyo a la Oficina de Consejería para completar un formulario de Prerrequisito desafío.

Para los números 2 y 3, enviar el formulario completo y la documentación requerida de apoyo a la Oficina de Admisión y Registros. Tenga en cuenta que al presentar el formulario de disputa que pueden inscribirse en la clase en cuestión, si hay espacio disponible mediante la presentación de este formulario para Admisiones y pagar todos los gastos necesarios. Si su problema es negado, la universidad tiene el derecho de caída de la clase y sus honorarios serán reembolsados de oficio.
Exámenes de Ubicación Computarizados
Mission College ofrece Exámenes de Ubicación Computarizados todo el año

No se necesita hacer citas, los estudiantes son atendidos en el orden en que llegan
Planeé con anticipación, no espere a que sea demasiado tarde. Pase por nuestra oficina durante las horas de trabajo y tome sus exámenes.

Si espera hasta la semana antes de comenzar las clases corre el riesgo de esperar por horas a que otros estudiantes terminen sus exámenes.

Estudiantes con discapacidades
Estudiantes con discapacidades, si necesita ayuda comuníquese con el Centro de Apoyo a la Enseñanza para Discapacitados (DISC) en S2-201 o llame al 408.855.5085 o a TTY al 408.727.9243.

Cuatro reglas importantes:

1. Los estudiantes pueden tomar el Examen de Ubicación dos (2) veces en un período de 365 días.

2. Debe tener un número de estudiante de Mission College para tomar cualquiera de los exámenes.

3. Debe tener una tarjeta de identificación (licencia de conducir, carnet de estudiante con foto, Pasaporte/Visa).

4. Los resultados de los Exámenes de Ubicación son para ubicación inicial solamente, no se pueden utilizar para sustituir clases (brincar un curso). Si esta es su intención, favor de consultar a su consejero académico y él/ella le ayudará a presentar una solicitud de Desafío al Prerrequisito Académico.

Centro de Evaluación: horas de oficina
Puede encontrar las horas de oficina del Centro de Evaluación por Internet en www.missioncollege.edu/student_services/assess/index.html o en la ventanilla de la recepción del Centro de Evaluación (Edificio Principal, E1-101).

Resultados de los exámenes
Los resultados de los exámenes de inglés, matemáticas y lectura son instantáneos. Los resultados de ESL (Inglés como Segunda Lengua) pueden tardar hasta 5 días hábiles.

¿Qué tanto tarda cada examen?
¡Buena pregunta! Todos los exámenes tienen un tiempo específico. Algunos estudiantes terminan antes de que termine el tiempo, otros toman todo el tiempo asignado. Lo más importante es que haga lo mejor que pueda durante este tiempo.

Tiempo específico para cada examen:
Inglés: 90 minutos
ESL (Inglés como Segunda Lengua): 90 minutos
Lectura: 30 minutos
Matemáticas (4 exámenes):
1. Examen de Preparación para Algebra: 45 minutos
2. Examen de Algebra Elemental: 45 minutos
3. Examen de Algebra Intermedia: 45 minutos
4. Examen de Preparación para Precálculos: 90 minutos

¿Quién necesita tomar el examen?
Todo estudiante de nuevo ingreso y estudiantes no-exentos que planeen obtener un diplomado o transferirse a una universidad.

Estudiantes en progreso que no han tomado los exámenes y quieren matricularse en cursos con prerrequisitos en inglés, ESL, matemáticas y/o lectura deben tomar el examen antes de inscribirse en estos cursos.

Exenciones: es posible que no necesite tomar los exámenes si usted...

• Ha obtenido un diplomado AA/AS o estudios avanzados en cualquier colegio comunitario o universidad en Estados Unidos.

• Planea matricularse en cursos de inglés, ESL, matemáticas o lectura que no tengan prerrequisitos.

• Ha llegado a un acuerdo con la Oficina de Consejería Académica (Edificio Principal, E1-301) a través de una solicitud de Desafío Académico. (Ejemplo: constancia de estudios o los resultados de la evaluación de otro colegio, etc.)
Ayuda Financiera

Manteniendo la perspectiva
El propósito de la ayuda financiera es ayudar a los estudiantes en su búsqueda de educación y metas profesionales quitando algunas de las diarias presiones financieras que interfieren con dicha búsqueda. La ayuda financiera federal y estatal está diseñada para ser un suplemento, no reemplazo, a los recursos de los estudiantes. En otras palabras, se espera que los estudiantes contribuyan, tanto como les sea posible, para cubrir sus costos educativos.

Mission College ofrece una variedad de programas de ayuda financiera federal, estatal e institucional para ayudar a los estudiantes a cubrir el costo de su educación. Para obtener información sobre los requerimientos para ser elegible y las formas de solicitud necesarias se invita a los estudiantes a pasar por la Oficina de Ayuda Financiera o visitar nuestro sitio Web:

www.financialaid.missioncollege.edu

Algunas becas están sujetas a disponibilidad de fondos; por tal motivo, es altamente recomendado que solicite la ayuda tan pronto como le sea posible.

La Junta Ejecutiva del Gobernador (BOGFW) (“Fee Waiver”)
La Exención de Costo de la Junta Ejecutiva del Gobernador (BOGFW), “Fee Waiver”, cubre el costo de la matrícula y parte del costo del permiso para estacionarse para estudiantes de bajos ingresos. BOGF A también cubre el costo por el Campus.

Los becados deben ser residentes de California por lo menos un año y un día antes del primer día del semestre en curso. Las solicitudes están disponibles en el Horario de Clases, en nuestro sitio Web o en la Oficina de Ayuda Financiera.

BOGW A: Para ser elegible, usted (o alguno de sus padres, si es dependiente) debe estar recibiendo algún tipo de asistencia como son: AFDC/TANF/CalWORKs, SSI, GA, u otras.

BOGW B: Para ser elegibles, usted (o alguno de sus padres, si es dependiente) debe cumplir con los siguientes estándares de ingreso económico.

The People of the State of California do Enact as Follows:

Section 1. This act shall be known, and may be cited as, the "Access to Transfer Information for Community College Students Act."

Section 2. The Legislature finds and declares all of the following:

(a) Student matriculation, from community colleges through the University of California and the California State University, is recognized by the Governor, Legislature, and the governing boards of each of the segments of California's system of public postsecondary education as a central institutional priority of all segments of higher education.

(b) The Board of Governors of the California Community Colleges, with the cooperation of the Regents of the University of California and Trustees of the California State University, should ensure that all students are clearly and fully informed as to which community college courses and units are transferable.

(c) Knowledge of transfer agreements will improve a community college student's opportunity to transfer.

(d) The Master Plan for Higher Education establishes transfers as a priority. The California Community Colleges and the University of California established the goal of a 33 percent increase in transfers between the 1995-96 and the 2004-05 academic years.

(e) According to recent reports by the California Postsecondary Education Commission, the transfer rate to the University of California system has decreased every year since 1995. Given the decreased transfer rates, there is no possibility of achieving the goal of 33 percent.

Section 3. Section 66721.5 is added to the Education Code, to read: 66721.5. (a)

(1) The governing board of each community college district shall direct the appropriate officials at their respective campuses to provide each of their students with a copy of the current transfer core curriculum.

(2) As used in this section, "transfer core curriculum" means the lower-division, general education transfer curriculum that, pursuant to Section 66720, is fully articulated between the California Community Colleges and the California State University and University of California.

(b) A copy of the current transfer core curriculum shall be distributed to each newly admitted community college student who is enrolled in a degree or certification program and is physically in attendance at the institution.

(c) The governing board of a community college district shall ensure that the text of the current transfer core curriculum is included in the published class schedule for each academic term. Copies of the transfer core curriculum may also be made available in other locations on each campus, including, but not necessarily limited to, all of the following:

(1) The admissions office.
(2) The bookstore.
(3) The career counseling center.
(4) The veteran's affairs office.

(d) Notwithstanding subdivision (c), the governing board of a community college may, as an alternative to the methods of distribution set forth in subdivision (c), distribute copies of the current transfer core curriculum by any of the following means:

(1) During the registration process.
(2) By mail, with the registration materials or the enrollment materials, or both, or with other items sent to students.
(3) During the issuance of student identification cards.
(4) During student orientation programs.

(e) Nothing in this section shall be construed to limit the distribution of the transfer core curriculum to community college students.

Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the state-wide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

Illegal Distribution of Copyrighted Materials

Mission College students are prohibited from using the West Valley-Mission Community College District (WVMCCD) information computer network system to illegally download or share music, video and all other copyrighted intellectual property. Mission College supports the Higher Education Opportunity Act and Digital Millennium Copyright Act, including efforts to eliminate the illegal distribution of copyrighted material. Under the law, college administrators may be obligated to provide copyright holders with information about users of the WVMCCD information computer network system who have violated the law.

Be aware that illegal forms of downloading and file sharing as well as the unauthorized distribution of copyrighted materials are violations of the law and may subject you to academic sanctions from the college as well as criminal and civil penalties, including a lawsuit against you by the Recording Industry Association of America (RIAA). Learn more at www.campusdownloading.com. In addition to being illegal, file sharing drains the WVMCCD network's bandwidth, which slows computer connections for students and employees who are using the network for legitimate academic purposes and ultimately costs the college money. There are plenty of easy, affordable ways to get music online legally. To protect their intellectual property, companies have licensed hundreds of digital partners that offer a range of legal downloading options, including download and subscription services, legitimate peer-to-peer services, video-on-demand, podcasts and CD kiosks. For a list of sources that offer legal downloading sites, access www.riaa.com.
In accordance with Public Law 101-226, the Drug-Free Schools and Communities Act amendment of 1989 and the Drug-Free Workplace Act of 1988, District Policy 5.18.1 prohibits the "unlawful use, distribution, sale, or possession of alcohol, and illicit drugs."

The college recognizes the legal drinking age of 21 years and enforces all state laws regulating the use of alcoholic beverages. All members of the campus community are subject to disciplinary action and/or criminal prosecution for the on-campus possession, use, sale or distribution (by either sale or gift) of any quantity of inappropriate prescription drugs, or controlled substances as defined by the State of California Health and Safety Code. Students found to be in violation of this policy may be subject to the Code of Student Conduct and Sanction Policies. If warranted, employees will also be subject to disciplinary sanction.

**Health Consequences:**
- Impaired learning due to poor concentration, fatigue, drowsiness, anxiety, altered perception, confusion, indifference, depersonalization, memory loss, panic attacks and drug-induced psychosis.
- Impaired judgment leading to driving under the influence of alcohol/other drugs, accidents, violent and abusive behavior, criminal acts, financial troubles, unwanted pregnancy, sexually transmitted diseases, acquaintance rape, attempted or accomplished suicide, permanent injury or death as a result of substance overdose.
- The use of intravenous drugs can result in hepatitis, tetanus, abscesses, and AIDS.
- The use of stimulants can lead to cardiac fibrillation, heart attack, seizures, respiratory arrest and death.
- The most common negative health consequences from occasional drinking are trauma incidents such as auto accidents and violent behavior which involve both the drinker and non-drinking victims.
- Long-term alcohol abuse can cause brain damage, cirrhosis of the liver, hepatitis, permanent coordination loss, ulcer disease, gastritis, pancreatitis, heart disease, stroke, anemia, sexual dysfunction, cancers, and many other health problems.

**The District Police**
Patrols by the District Police are performed in vehicles, and on foot when classes are in session, on weekends and holidays. The District Police have full state law enforcement authority identical to that of the local police and sheriff. Officers responsibilities include providing public safety services, submitting crime reports, reporting traffic accidents, conducting criminal investigations and all other incidents requiring police assistance. A Memorandum of Understanding is maintained with the Santa Clara Police Department and the Santa Clara Sheriff’s Office outlining each department’s investigative responsibilities. District Police personnel work closely with other local, state and federal police agencies and have direct radio communications with the Santa Clara County Sheriff’s Office. District Police Officers are supplemented by Parking Enforcement Officers who assist in non-emergency situations, aid motorists, provide campus information, issue parking citations, and direct traffic.

**Reporting Crimes and Emergencies**
To report an emergency, criminal activity or possible crime on or near the campus call from:

Any phone or cell phone: 9-1-1 or
to call Emergency County Communications from a cell phone, call: 408-299-3233

To request assistance for a non-emergency requiring a police officer response, call from:

Any phone or cell phone: 408-299-2311

Dispatchers are available at the above phone numbers 24 hours a day to answer your call.

**Annual Security Report**
The annual Security Report is distributed throughout the campus is available at the District Police Office, located in the campus center building and is available through the College website at www.wvm.edu/police/
This report includes campus crime and arrest statistics and other information that complies with the Jeanne Clery Disclosure of Campus Security Policy and Crimes Statistics Act. Campus crime, arrest and referral statistics include those reported to the District Police, designated campus officials, and local law enforcement agencies.

**Campus Safety**
The West Valley/Mission Community College District strives to maintain a safe environment for students, staff, and visitors to pursue educational objectives. However, a truly safe and secure campus can only be achieved through the complete cooperation of all community members. Please report any crimes or suspicious activities to the District Police as soon as possible. Confidentiality will be observed to the full extent of the law.

**Security and Access**
During business hours, the college will be open to students, employees, contractors, guests, and the general public. During non-business hours, access to all college facilities is by key, if issued, by admittance via the District Police, or by permission as specified. Some facilities may have individual hours that may vary at different times of the year. The College does not have residence halls.

**Timely Warnings**
In the event that a situation arises, either on or off campus, that in the judgment of the chief of Police constitutes an ongoing or continuing threat, a campus-wide “Timely Warning” will be issued via email and posted flyers to faculty and staff to pass on to their students. Information will also be posted throughout the campus.

**Safety Services and Assistance**
The District Police will investigate thefts, assaults, harassment, or other crimes. Free printed information on crime prevention, substance abuse, and personal safety are available at the District Police offices and at many on-campus student services locations. Safety escort services are available by appointment at no charge by calling 408.855.5435 (Mission College District Police desk), or 408.741.2092 (West Valley College District Police desk).

**Sexual Assault**
Mission College is strongly committed to the establishment of an educational environment in which students, faculty, and staff can work together in an atmosphere free of sexual assault. During the academic year the District Police and Health Services, in conjunction with Student Services, presents informational programs concerning the awareness and prevention of sexual assault and other crimes through guest speakers, films, and printed materials. The college will vigorously support criminal prosecution of anyone identified as responsible for sexual assault. In addition to criminal prosecution, the college may impose discipline against students, student organizations, or college faculty or staff identified as committing or participating in sexual assaults. College disciplinary action includes expulsion from the College, suspension or probation for a specified period. Counseling assistance is available through Health Services and the Counseling Department.

**Reporting Sexual Assault**
Any incidents of sexual assault, including date or acquaintance rape should be reported as soon as possible to the District Police. If a student is unable to contact the District Police, contact the local police. If a student needs assistance contacting the proper authorities, go to the Counseling Center or Student Health Services, or ask any College faculty or staff member for help. Every attempt should be made to preserve any physical evidence of the assault. This may include not showering or bathing, not cleaning the scene of the incident and not disposing of any damaged clothing or other items.

A criminal investigation into on-campus sexual assaults will be initiated immediately by the District Police. Information on counseling and support groups will be provided. Santa Clara County offers 24-hour counseling, and the Santa Clara County Valley Rape Crisis Center can be reached at 408.287.3000.

The college encourages seeking support from family and friends in times of crisis. Academic schedule changes may be desirable, and appropriate steps can be taken to accommodate this request to the fullest extent possible.

Intersegmental General Education Transfer Curriculum
Certification and Certificate of Achievement Requirements
2011–2012

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education program which allows California Community College students to fulfill lower-division general education (GE) requirements for either the CSU or UC system without the need, after transfer, to take additional lower-division GE requirements. **Sixty (60) Transferable Units** of Major and GE courses are required for transfer. As a transfer student, you should: (1) meet with a counselor to create a **Educational Plan** that will assist you in identifying appropriate major and GE requirements; (2) request an **IGETC Certification** when you request final transcripts to be sent to your transfer institution (partial certification of the IGETC is allowed although a full completion prior to transfer is highly recommended [science and engineering majors please see a counselor regarding GE requirements] and all courses must be completed with a “C” or better to receive IGETC certification); and (3) with a counselor’s assistance, determine whether you are eligible for an Associate Degree. **Completion of this pattern also satisfies requirements for a Certificate of Achievement.** All courses are 3 units unless otherwise noted.

FREQUENTLY ASKED QUESTIONS ABOUT IGETC

Is IGETC RIGHT FOR ME?
Maybe. The IGETC is advisable for students who have not yet decided on a major or a particular campus and who want to keep their options open before making a final decision about transferring to either a UC or CSU campus. IGETC is not advisable for students who choose majors with substantial lower division prerequisites, such as engineering or science. See chart below.

DO I HAVE TO COMPLETE IGETC TO TRANSFER TO A CSU OR UC?
No. The IGETC is not a requirement for transfer to CSU or most UCs (check with www.uctransfer.org for exceptions), nor is it the only way to fulfill the lower-division, general education requirements. Depending on a student's major, the student may find it better to take courses fulfilling the CSU's General Education requirements or those of the UC campus or college to which the student plans to transfer.

I HAVE COMPLETED COURSES AT OTHER COLLEGES. WILL THEY COUNT TOWARD IGETC?
Yes. Courses that are completed at any accredited college can be used in the IGETC certification. Students should be aware, however, that coursework from other California community colleges will be applied in the IGETC category determined by the original college. Courses taken at a foreign institution not accredited by a US accrediting association are NOT permitted for certification on the IGETC.

WILL THE COURSES I TAKE AS TRANSFER REQUIREMENTS FOR MY MAJOR BE COUNTED TOWARD IGETC?
Yes. UC will allow requirements completed as preparation for the major to be used in the IGETC whenever they appear.

I HAVE PASSED AN ADVANCED PLACEMENT TEST. CAN MY AP SCORE BE USED TO SATISFY AN IGETC REQUIREMENT?
Yes. AP scores of 3 or higher can be used to satisfy any IGETC subject area except Critical Thinking and Oral Communication. Even though credit for more than one course can be awarded by Mission College for AP scores of 3 or higher, only one course in the subject for which the AP test was taken can be used on the IGETC. Please see the Mission College catalog for specific credit information.

DO COURSES COMPLETED NEED A MINIMUM GRADE FOR CERTIFICATION?
Yes. Only grades of "C" or better will be accepted (no "C-"), and Pass/No Pass courses are acceptable only if the college catalog defines credit as equivalent to a letter grade of "C" or better (as it does at Mission).

HOW DO I COMPLETE THE IGETC?
The IGETC can be certified for California community college transfers who have also completed transfer units at a CSU, UC or independent college provided that the student has completed most of the transfer units at one or more California community colleges. Students who initially enroll at a UC campus, then leave and attend a community college, and subsequently return to the same campus are considered "readmits" by the University and cannot use the IGETC. However, students who enroll at a UC campus, then leave and attend a community college, and subsequently return to a different UC campus may be able to use the IGETC, but students need to check with the campus they wish to attend.

WHEN DO I CERTIFY THE IGETC?
IGETC certification must be requested in the Records Office prior to transfer. THIS IS NOT AN AUTOMATIC PROCESS! All necessary documentation (secondary or other college transcripts) must be submitted to the Records Office prior to this request. Valid IGETC courses must appear on Mission's IGETC plan the year in which they are taken. Students who leave the college, breaking continuous enrollment, will be placed under the IGETC plan in effect for the year that they return. Partial certification is available for students who have a maximum of 2 remaining classes and would like to transfer without them. Students will be responsible for fulfilling these remaining requirements at the institution they transfer to.

The IGETC is NOT recommended for the following programs at the UC campuses listed below:
