WELCOME TO MISSION COLLEGE

From President Daniel Peck

We are looking forward to welcoming you back to campus. These past 18 months have been anything but ordinary, but just like the opening of our new plaza this Spring, Mission College is starting fresh with a gradual return to campus. One thing that has not changed is our mission to educate anyone that comes to us.

We value our diversity. We have students from 33 countries. We have students from all walks of life. Education is about learning from others, and we do that every day at Mission College.

We also realize the challenges-- of paying rent, holding down a job, taking care of family, finding a quiet place to study or relax, or navigating college for the first time, or the fourth time.

We have made it a priority to address some of those needs.

• We have partnered with 2nd Harvest Foodbank for a weekly drive-thru food pantry.
• We have set up a laptop and hotspot loan program.
• We have created an emergency assistance fund.
• We have given out meal cards and lunches.
• We have opened up our computer lab, which has access to a computer, wifi and is quiet.

Mission College has already distributed more than $1.7 million in direct dollars to students since March. This is in addition to providing over 300 laptops and WIFI hot spots through our loan program, and distributing more than 5,000 meals through gift cards and bagged lunches.

As allowed by the State and County, our classes will be mostly online with some exceptions. Please look at our schedule online for the latest updates.

As we gradually re-open, we welcome you back. With safety protocols in place and our students and community at the forefront of our effort
Let’s have a great 2021!

MISSION STATEMENT

Mission College serves the diverse educational needs of our student population by providing equitable access and support towards completing associate degrees and certificates aligned with transfer and career pathways to meet educational and personal goals as well as the workforce demands of the city of Santa Clara and Silicon Valley.

Vision Statement

Empowering every student to find their mission.

NATHANIA ISNANDAR
Mission College 2019
“Mission College helped me succeed and get to my career I have today. My accounting professor really helped me figure out what kind of accounting career I would like to pursue and secure me my first part-time job in accounting. I also worked as a tutor for the Academic Support Center. It not only helped me build a stronger foundation in financial accounting, but I was also able to work with many different people and create new friends. Finally, Mission College helped me get into SJSU for its accounting graduate program and received a job offer from Deloitte.”
ACADEMIC SUPPORT CENTER (ASC)/ TUTORING CENTER
Tutoring.missioncollege.edu | SEC-154 | 408-855-5095
The Academic Support Center provides academic assistance for all Mission College students. The tutoring service is free and available for a wide range of courses in basic skills, transfer, STEM, and courses that lead to degrees or certificates. Students can choose drop-in tutoring or scheduling a future appointment. Peer tutors also help with study strategies and test preparation. We strive to offer quality services in a variety of formats to respond to individual student needs.

CAREER CENTER
jobs.missioncollege.edu | SEC-122
The Career Services Center is your resource for resumes templates, workshops, finding jobs, job fairs, and gaining internships and/or apprenticeships. Employers post opportunities at jobs.missioncollege.edu.

COUNSELING CENTER
counseling.missioncollege.edu | SEC-139 | 408 855-5030
Our counselors are available to support Mission’s diverse student population with the many academic and personal needs that may arise during the college experience. A counselor can help you with academic and transfer counseling, career counseling, goals clarification, personal counseling, community referrals, crisis intervention and more.

DISABILITY SUPPORT PROGRAMS AND SERVICES
dsp.s.missioncollege.edu | CC-240 | 408-855-5085
DSPS is a one-stop support center to enhance the success of all students with documented disabilities seeking to further their education. DSPS meets the needs of anyone with a documented disability, whether permanent or temporary, in either an on-campus or online course environment. DSPS offers Educational Assistance Courses (LSR) available to build skills in writing, math, strategies and technology. Approved accommodations based on documentation may include extended test time, reduced distraction environment, specialized tutoring, specialized software and more.

HONORS PROGRAM
honors.missioncollege.edu | honors.mission@missioncollege.edu
The Honors Program supports students who want to challenge themselves academically and prepare themselves fully for transfer to a four-year institution. All Honors courses are CSU and UC transferable and are designed to strengthen students’ critical thinking, analysis, research, writing and communication skills. Research opportunities are also available.

WELCOME CENTER
welcome.missioncollege.edu | SEC-105 Main Lobby | 408-855-5083
Are you new to Mission College? Do you need help? We are here to help students every step of the way. We also offer campus tours. Visit the Welcome Center in the Student Engagement Center! Our friendly Student Ambassadors and staff are here to assist prospective and current students. Mission College is a multicultural campus and our staff is available to assist students in a variety of languages. Our mission here at Mission is to help you achieve your academic and career goals!

MESA
mesa.missioncollege.edu | SEC-152 | 408-855-5482
Born out of the civil rights movement, the Mathematics, Engineering, Science Achievement (MESA) Program academically and supports educationally and economically disadvantaged students in the STEM Transfer pathway. Some of MESA’s academic and student support services include Academic Excellence Workshops (AEW’s), a dedicated counselor, tutoring, organized study groups, college and industry tours, mentorship programs, leadership conferences, retention and transfer support. MESA guides a diverse population of transfer-ready students to 4-year university programs and beyond.

PUENTE PROJECT
puente.missioncollege.edu | CC-221 | 408-855-5385
The Puente Project is a national award-winning program that has improved the college-going rate of tens of thousands of California’s educationally underrepresented students. Puente students take English 1AX and Counseling 5 in the fall semester. They then take English 1B and Counseling 7 in the spring semester. During both semesters, Puente students take part in required events, such as trips to university campuses, and receive mentoring from local professionals. Puente students work closely with their Puente counselor to transfer to a four-year school. This is a fall start program and students must enroll before the fall semester begins.

STEM LEARNING CENTER
stem.missioncollege.edu | SEC-131 | 408-855-5157
The STEM Learning Center provides a study space, tutoring in STEM disciplines, the peer navigator mentorship program, university tours, industry tours, and community building. The center also participates in the hunger free campus initiative where students can pick up snacks and drinks throughout the day.

TRANSFER CENTER
transfer.missioncollege.edu | SEC-139 | 408 855-5115
The Transfer Center creates equal opportunity for all students to succeed in reaching their educational goals by identifying, recruiting, and motivating students to make well-informed decisions to transfer to four-year universities. The Transfer Center will help students navigate through the transfer process by assisting with choosing a transfer campus, understanding the admissions process, and assisting with filling out college applications. Additionally, the center provides resources for students to explore and establish major, transfer, and career goals.

VETERANS-VALOR CENTER
valor.missioncollege.edu | CC-240 | (408) 855-5418
The VALOR Center provides current and prospective Student-Veterans with their own one-stop space to access information, mentoring, study space, computer lab, tutoring, disability counseling, education planning, certification information, free printing, outside resource information, and to get to know other veterans. The VALOR Center also coordinates calendar dates and has access to an on-campus Medical Lab. The VALOR Center is open to all Student-Veterans regardless of benefits and Student-Veterans receiving benefits can also apply for V.A.

JORDAN PASSAS
Mission College to University of LaVerne

Jordan did not play basketball her junior or senior season, but Mission College Coach Corey Cafferata saw something in her. She said “Knowing my days of basketball might be over because who would want a girl who didn’t play high school, but God sent me a blessing with a phone call from Corey Cafferata recruiting me to play at Mission College. He made me a better player on and off the court. He taught me life skills to become stronger and face my challenges head on.”

Jordan plans to one day become an OBGYN. In her career she averaged 16.8 points and 7.9 assists per game.

ROSA SOSA
Mission College to Arizona Summit Law School ’15
Embry-Riddle University Masters: Global Security and Intelligence Studies

While taking ESL, Marketing, and Business classes at Mission, Rosa started working at the IIS Office as a Student Assistant, and for the next 4 years she was an integral member of the IIS staff helping international students navigate their college life. One of the highlights was assisting a group of Danish students who were on a one-semester study abroad program. Rosa acted as a student ambassador and helped coordinate housing and social activities for them. These experiences and friendships ignited her passion to pursue international relations.

Rosa received her Associate degree from Mission College and Bachelor’s degree from San Jose State University in Business Administration and Marketing. In addition, she received her law degree from Arizona Summit Law School. She is currently working on her Master’s to become an FBI agent in the near future.
If you are earning one of Mission College’s transfer degrees you are guaranteed admission to Cal State or UC. **A DEGREE WITH A GUARANTEE**

Mission College engineering students solve problems. Students can learn about the Engineering design process, work with circuits, work on 2D and 3D models, learn a programming language, and more. Transferrable classes as well as a degree is offered. Many of our students transfer to SJSU to continue their education and work in the many tech companies in the Silicon Valley.

# Taking an Online Class?  
**WE CAN HELP!**

TAKING AN ONLINE CLASS?  
WE CAN HELP!

**Laptop & Wifi Loan Program**
Mission College recognizes the sudden transition to online courses has posed many challenges for our students, particularly for those without reliable computer access. In an effort to best support our students, Mission College is loaning a limited number of laptops and hotspots for our students with the greatest need, to use for the rest of their time at the college. Go to resources.missioncollege.edu to apply.

**Using Canvas**
Canvas allows faculty to develop and manage online and face-to-face courses, and provides students with secure access to course content anywhere, and anytime, they have access to the Internet.

**Canvas allows students:**
- to work and collaborate
- view lessons
- submit assignments
- take exams
- communicate with instructors and other students
- track their grades and course activity
- configure, customize and display course reports in a safe password-protected virtual environment.

**Why Take an Online Class?**
Online Learning courses are delivered online and offer the flexibility of learning anywhere, and anytime.

- Earn credits during Winter and Summer session to transfer back to your own four-year school
- Take classes throughout the year on your schedule
- Get through college faster
- Complete lower division GE classes
- Online tutoring with our own Mission College tutors and Net Tutor
- Financial Aid may be available

ADMISSIONS AND REGISTRATION INFORMATION

FOR MORE DETAILED INFORMATION PLEASE VISIT:
CATALOG.MISSIONCOLLEGE.EDU

ENROLLING INTO CLASSES
Students can register for classes online via My Mission Portal starting on their assigned registration dates and until the day before the first meeting day of the classes. They can also register in-person at Admissions & Records located in SEC 118 should conditions allow.

All classes of the District shall be open for enrollment to any person who has been admitted to West Valley or Mission College. Enrollment may be subject to any priority system that has been established. Enrollment may also be limited to students meeting properly validated prerequisites and co-requisites, or due to other practical considerations, such as exemptions set out in statute or regulation.

Payment of fees is due at time of registration.

The drop for non-payment policy is in effect.

REGISTRATION FEES
Payment of fees is due at time of registration.

Be prepared to pay any outstanding balance on your account at the time of registration. Outstanding account balances will block you from being able to register in the future. Make payments online via My Mission Portal or in-person at SEC 118 should conditions allow.

Mission College encourages all students to apply for financial aid for assistance with paying enrollment fees. To apply visit the Mission College financial aid page at financialaid.missioncollege.edu or come to the Financial Aid office for help at SEC 118.

PAYMENT PLAN OPTIONS THROUGH NELNET
Mission College is committed to providing you with options to pay your enrollment fees. By establishing a payment plan with Nelnet you will have the opportunity to select a payment plan to make your college enrollment expenses more convenient and manageable. For additional information go to: MyCollegePaymentPlan.com/wvm or call Nelnet at (800) 609-8056.

WVM ISSUED EMAIL
All students registered in the West Valley-Mission Community College District (WVMCCD) are assigned a WVM district email: yourname@wvm.wvm.edu. The email address can be used as an email address, to access Canvas and as a single sign-on for services. Students can go to mcportal.missioncollege.edu for details.

DUAL ENROLLMENT-HIGH SCHOOL STUDENTS REGISTRATION
High school students seeking to take classes at Mission College are required to submit an online Application for Admissions as well as a High School Dual Enrollment Form for each term they wish to enroll. The Dual Enrollment Form must be submitted via email to: dual.enrollment@missioncollege.edu or in-person at the office of Admissions & Records in SEC 118 should conditions allow before students will be assigned an online registration date. Students are highly encouraged to submit forms at least two weeks before registration opens for high school students to allow for processing.

The high school principal/designee, and parent/guardian of the student must approve any registration into any college course. Students are required to meet all prerequisites for the course(s) into which they want to enroll. To obtain the High School Dual Enrollment Form and additional information pertaining to Dual Enrollment, please visit hs.missioncollege.edu.

Dually enrolled high school students are responsible for paying the Health Center Fee.

Dually enrolled high school students are not allowed to register into Kinesiology and 900 level courses.

DROPPING/WITHDRAWING FROM CLASSES
It is the student’s responsibility to drop/withdraw from classes. Do not assume that you will be dropped by the instructor or by any process that drops students for non-payment. If you do not drop classes that you no longer want to be enrolled in by the published deadlines, you, the student, will be responsible for payment of all enrollment fees related to the class (even if the you never attended), and for any grade assigned by the instructor. Classes may be dropped via My Mission Portal.

CLASS WAIT LIST
A class wait list starts when a class reaches its maximum enrollment capacity during the registration period. Students can add their names to a wait listed class before the class begins. During the registration period, if a student drops from a class that has a wait list, the first student on the wait list will be notified via email that a space in the class is available to their personal and WVM email addresses, and via text (standard text fees apply). The notified student will have up to 48 hours from the time the notification is sent to register into the class. Should the notified student not enroll in the course by the end of the 48 hours the student will be removed from the wait list and the next student on the wait list will be notified that a space in the class is available. The notification system will continue to notify students on the wait list until the next notified student enrolls in the class or the class starts, whichever comes first.

ADDING A CLASS WITH ADD CODES
On and after the first day of instruction and through the Add/Drop period of the course, students that want to add to a class must contact the instructor and ask for an “Add Code.” Students will use add codes to enroll themselves into a course via My Mission Portal. Students must use assigned add codes before the Add/Drop period deadline (or course start, if earlier). A different add code is required for each class to be added on or after the first meeting of the class. Successfully adding a course online with an add code is a two-step process 1-validation, 2-submitting changes. Students may be able to add a course on or after census date with special permission. Adding classes after the refund deadline will require that new fees be paid for the new course(s) added.

COURSE REPETITION AND FAMILIES OF COURSES
State regulations severely limit the ability of courses to be repeated after receiving a passing grade. There are groupings of courses in the West Valley-Mission Community College District with similar active participatory content called “families” and courses in these defined families are linked, independent of which college where they are taken. Families are identified within the Kinesiology, Wellness & Human Performance, Physical Education, Art, Theatre, and Music disciplines, and students may only attempt up to four courses in any family. An attempt is defined as receiving any grade or notation (e.g. W for withdrawal) in any previous or current terms – this is a cumulative count of attempts. If a family has less than four courses in its offerings and you have a received grade notation for each of its courses, the maximum attempts have been reached.

Students with documented, extenuating circumstances must complete and submit a Student Petition to the Admissions & Records Office for consideration of beyond four attempts within an individual family.

Refer to the table in the online schedule, college catalog or consult with a Counselor to review the full list of courses within families.

REFUNDS
To be eligible for a refund of enrollment fees students must drop classes by the published deadline.

Dropping a class after the published deadline will result in loss of enrollment fees.

Refund requests for ASB cards and parking permits must be made at the Admissions & Records by the “last day to drop with a refund” deadline. A parking permit refund requires the return of the parking permit.

Refunds for credit card payments will be returned to the credit card used to pay the fees. Check and cash payments will be refunded by check and mailed to the student’s current home address on record. It is important that we have a current address on file. Refunds for eligible students are processed after census for full term courses, unless otherwise requested by the student. Refunds for complete withdrawals from short-term courses are processed within 7 to 10 business days.

PREREQUISITES
Some courses have prerequisites. A prerequisite is a class or skill that is required before enrollment into a preferred class is allowed. Prerequisite information for individual classes can be found in the college catalog course listings. For information on how you may be able to clear prerequisites through alternate means visit.

AUDITING OF COURSES
Mission College allows auditing of courses except for courses in programs that require special preparation and/or program admission on a limited basis. The California College Promise Grant will not cover the fee for an audit class.

HOW TO APPLY FOR FINANCIAL AID

Mission College’s Federal School Code: 014458

1. Submit the 2021-2022 FAFSA/Dream Act Application:
Complete and submit the 2021-2022 FAFSA at fafsa.ed.gov or the Dream Act on Caldreamact.org. You will need to create an FSA ID (username and password) first to login. The Financial Aid office will email you within 3-4 business days once your application is received.

2. Check your Portal and follow up with Financial Aid office:
Use your WVM Email Address to log into My Mission Portal and check the status of your Financial Aid file. Click on Financial Aid tab > Financial Aid Status> 21-22 Award Year> Student Requirements.

Dreamers should follow up directly with the Financial Aid office for review of aid eligibility.

3. Complete your Financial Aid File:
Submit the required supporting documents to the Financial Aid Office. Make sure all documents are signed. The reviewing process can take 2 to 4 weeks. Check your My Mission Portal and WVM email address for updates.

4. Set up your BankMobile Refund Selection:
Log into My Mission Portal, click on “Financial Aid Refund Selection” and follow the prompts.

TYPES OF FINANCIAL AID

Grants: Financial aid based on financial need. It does not have to be repaid (unless you withdraw from school and owe a refund).

Scholarships: Money awarded to students based on academic, financial need or other achievements to help pay for educational expenses. Scholarships generally do not have to be repaid.

CC Promise Grant: A form of CA State aid that waives the enrollment fee ($46/unit) for eligible CA resident students.

Work Study: A federal student aid program that provides part-time employment while enrolled in school to help pay for educational expenses. A completed FAFSA is required to be considered for an award.

Federal Student Loans: Money borrowed from the federal government to help pay for educational expenses. A federal student loan is borrowed money you must repay with interest.

NELNET PAYMENT PLAN
You can make college more affordable by paying for enrollment fees over time. Payment plans break down your student account balance into affordable monthly payments. You pay no interest, payment options are flexible, setup fees are affordable, and it’s easy to enroll.

Mycollegepaymentplan.com/wvmc
CALIFORNIA COLLEGE PROMISE GRANT (CCPG)

California College Promise Grant (CCPG) covers the enrollment fees and a portion of the parking fee for lower income eligible students. AB540 Students (undocumented residents) now qualify for the CCPG. Applications are available on our website or at the Financial Aid Office located in SEC 118.

CCPG A: To be eligible, you (or one of your parents, if you are dependent) must be a current recipient of public assistance such as AFDC/TANF/CalWORKs, SSI, GA, or others.

CCPG B: To be eligible, you (or one of your parents, if you are a dependent) must meet the following income standards:

### FREE VTA TRANSIT

**YOU ALREADY PAID**
The SmartPass is already included in your Mission Fees!

**ECO FRIENDLY**
Every bus trip has the potential to keep 50 cars off the road.

**UNLIMITED VTA RIDES**
Enjoy unlimited bus and light rail trips with your smartpass throughout the semester.

**STRESS FREE**
Enjoy music or read a book. Light rail provides free Wifi access.

**Visit smartpass.missioncollege.edu for updated information**

Mission College has partnered with Santa Clara VTA to offer its students a SmartPass which grants unlimited rides on VTA light rail and buses throughout the Santa Clara County provided their student fees are paid.

- Due to Campus Center being closed we are working on a new online ID card system to serve our students.
- Visit smartpass.missioncollege.edu for the latest information.

The SmartPass will automatically renew each semester once all fees are paid in full. Students keep the same card from semester to semester and do not need to get it replaced. You paid the fee, now ride for free!
PARKING INFORMATION

PARKING REGULATIONS - OVERVIEW
A valid student, staff, or one-day “daily” visitor parking permit is required to park on campus. Student and visitor parking permit requirements are enforced Monday through Sunday, between 7:00 AM and 10:00 PM.

Purchase and/or possession of a permit does not authorize parking on campus. It is the responsibility of the driver to properly park the vehicle and to properly display a valid and authorized permit. Vehicles with car covers are no exception.

Restricted areas, including disabled parking, red zones, loading zones, staff parking, and time zones, are enforced every day, 24-hours a day. Overnight parking is prohibited without prior authorization from the District Police.

PURCHASING A PARKING PERMIT
Due to the profound impact of the COVID-19 pandemic on our community, and as a one-time COVID-19 relief measure, Mission College will be providing all registered students with Summer 2021 and Fall 2021 semester length parking permits at no cost.

To receive a permit at no cost, students must order their permit by logging in to the student portal on the college website and ordering via the student permit sales link within the student portal. Students may also be able to pick up a no cost permit at the Admissions and Records office when that office reopens for onsite services, however, students are strongly encouraged to confirm office hours and permit availability with the Admissions and Records office before visiting. For online permit orders, a printable temporary permit will be immediately provided by e-mail if the permit purchased is currently in use.

Visitors may purchase a one-day “Daily” parking permit at any of the daily permit dispensers located in parking lots B, C and D. Daily permits are $3.00 per day and all dispensers will accept cash, coins, and credit cards.

To be valid, all permits must be displayed on the front dashboard and the entire permit, including the expiration date, must be visible from the outside of the vehicle.

SUMMER SESSIONS PARKING INFORMATION
Parking is free during the summer and fall semesters. Log into My Mission Portal and print out a pass. A valid pass is needed in order to receive free parking.

FALL SEMESTER PARKING INFORMATION
A student “grace-period” will be observed during the week immediately prior to the start of the Fall semester and during the first week of the Fall semester. (The “grace-period” begins on Monday, August 23, 2021 and ends on Monday, September 6, 2021.)

During the grace period, no parking citation will be issued to any vehicle that is parked in a marked student parking stall without a permit; all other parking violations will be enforced. Parking citations may be issues to vehicles failing to display a valid student parking permit beginning Tuesday, September 7, 2021.

GENERAL PARKING INFORMATION
VISITOR PARKING - Visitors who will be on campus for a brief visit may take advantage of a limited number of free forty (40) minute time zone parking stalls located in the front row of Parking Lot A, or in our new visitor lot, located next to the Student Engagement building at front entry circle. Visitors planning a longer visit to campus should purchase a one-day “daily” parking permit at any of the daily permit dispensers located in parking lots B, C and D.

MOTORCYCLES/TWO-WHEELED VEHICLE PARKING -- Motorcycles and other two-wheeled vehicles are prohibited from parking in spaces designated for four-wheel vehicles. Designated motorcycle parking is available at the front of each parking lot. No parking permit is required for two-wheeled vehicles.

DISABLED PARKING - All individuals who are disabled (as defined in the California Vehicle Code Section 295.5) and use a designated disabled parking stall must display a valid placard or specialized license plates issued by the DMV. Failure to display a valid placard or plate may result in a citation and fine.

SPECIAL PARKING AND LOADING - Students or Staff members who have special parking or loading needs must make arrangements with Parking Services in advance. Business cards or notes left on the vehicle are not acceptable and a citation may result. No warnings are issued.

ELECTRIC VEHICLE CHARGING – Electric vehicle charging stations, also known as “E.V.” stalls, are located in the front rows of Parking Lots C and D. Students, staff, and visitors are welcome to use the charging stations; however, a valid student, staff, or one-day visitor parking permit must be displayed on the vehicle while it is parked in an “E.V.” charging stall.

LOST/STOLEN PERMITS - Stolen permits should be immediately reported to the District Police Department by calling 408-855-5435 or by visiting the Police business office located at the Campus Center. Lost permits will not be replaced free of charge, however, a replacement permit may be purchased at the original purchase price.

DISCLAIMER - This is only a summary of the District’s parking procedures and regulations. All procedures and regulations are subject to change. For the most current and complete procedures and regulations, please visit us online at https://wvm.edu/parking.

QUESTIONS? CONTACT US - Parking Services can be reached by calling 408.855.5435, or via e-mail at parking.services@wvm.edu, or at by visiting us at the District Police Office located in the Campus Center.

Currently most Fall 202 courses are scheduled to be taught online. There are two types of online courses. Some online courses are asynchronous, meaning students will log on when convenient for them to complete coursework. Other courses are synchronous, requiring students to log into class to attend via videoconferencing on specific days and at specific times.

2021 FALL SEMESTER COURSES

AUGUST 28 - DECEMBER 18

The majority of classes for Fall will be online, but classes and labs that need face-to-face instruction will occur in smaller groups based on current state safety guidelines at the time. This is a changing situation and we will inform students regularly of changes.

SATURDAY CLASSES START AUGUST 28

Before you enroll in degree applicable courses, it is recommended that you are eligible to enroll in ENG 001A and REA 054.

Prerequisite’s and co-requisites are mandatory. If you are blocked from enrolling in a class because you have not met the requisite, see your counselor. Courses used to meet prerequisite and co-requisite requirements must have been completed with a grade of C, credit, or better. Advisories are recommendations only.

GO TO CATALOG.MISSIONCOLLEGE.EDU FOR YOUR REFERENCE GUIDE FOR DETAILED, DEGREE, COURSE AND COLLEGE INFORMATION

All course descriptions can be found at CATALOG.MISSIONCOLLEGE.EDU or SCHEDULE.MISSIONCOLLEGE.EDU
Throughout the pandemic Mission College has safely continued in-person instruction for classes training current and future essential workers in the areas of Nursing, Fire Tech and EMT Training, and Pharmacy Tech. We have also provided in-person training courses for our intercollegiate athletes. As we move forward toward a full return to on campus operations, we have expanded our offering of classes with in-person instruction options for the Fall 2021 semester. Some of the classes identified below will be fully in-person, while others will be hybrid partially in-person and partially online, and a few offer students the option to attend in-person or via online videoconference in what we are calling “flexible attendance options.” Classes listed here have full or partial In-Person instruction. Please find additional information on these classes by using our online class search.

This list is subject to change.
Please search the schedule for latest updates at schedule.missioncollege.edu.

About Community Education
The Community Education Office provides a wide range of learning and enrichment opportunities for the community by offering classes and programs which meet the specific needs of and are tailored for the local community.

• Our classes and programs range from vocational training (e.g. Pharmacy Technician) to specialized classes (e.g. court mandated drug classes), to personal and professional enrichment classes (e.g., Beginner to Advanced Violin, Furniture Design and Construction & Metalsmithing).
• Classes are available to anyone in the community, regardless of educational goals and achievements, or student status.
• Classes are tailored for students of all ages and are offered year-round with flexible, convenient schedules.

We welcome you to explore all that we have to offer and hope to help you reach all your educational and personal enrichment goals.

COURT MANDATE CLASSES
Drug Diversion, Anger Management and Impulse Control: For over 15 years, Community Education has worked with the Santa Clara County Courts and Probation Departments to provide quality classes on topics such as Minors in Possession, Marijuana and Other Controlled Substances, Anger Management and Petty Theft Diversion. All classes are held on the Mission College campus and are conducted by Licensed Psychotherapists and Marriage and Family Therapists with private practices in couples and drug counseling, working with minors and adults.
For more information call 408.855.5106 or visit our website at communityed.missioncollege.edu for our court-mandated class schedule.

PHARMACY TECHNICIAN PROGRAM
• 30-week intensive NEW HYBRID program takes a very practical online & in-person approach to pharmacy training and is designed to prepare graduates for work.
• The program is excellent for recent high school graduates, college students, ex-healthcare workers, those looking for a career change, and anyone who wants entry into the pharmacy or health fields.
• The curriculum is written by pharmacists, and classes are taught by both pharmacists and certified pharmacy technicians practicing in pharmacy.
• Students will receive 400 contact hours that include class and lab instruction, tutoring, workshop sessions, and externship experiential training in a pharmacy.
• Graduates of the training program will receive a Certificate of Completion and eligibility for licensure (registration) by the CA State Board of Pharmacy.
• Pharmacy Technician Certification exam eligibility as a PTCB recognized program.
• Evening sessions start every February. & Day sessions start every August.
